#### Review

"This is one impressive book. The storyline of this book is unlike anything else that I have ever read. Taylor creates a unique and terrifying image of angels that will intrigue all readers. This is definitely a must read for paranormal romance lovers."

- Jackie (*The Book Whisperer* blog)

"Branded was a thrilling and unique novel. The refreshing quality in the storyline surpassed any angel stereotype I've read so far. Keary is an indie author who has the ability to move her readers. I truly cannot wait to see what Keary has in store for us next!"

- Elenie (*La Femme Readers* blog)

"Taylor has presented a fresh idea with a delightfully independent and strong female protagonist that will keep you cheering for her throughout the story. Branded is, in a nutshell, a rich blend of biblical undertones, the weight of right and wrong, and the quest to save one's soul."

- Melissa (*I Swim For Oceans* book blog)
