Good Poems for Hard Times From Viking Adult

When Garrison Keillor published *Good Poems*, he touched a chord in readers across America. The anthology of poems he selected for their "wit, their simplicity, their passion, and their utter clarity in the face of everything else a person has to deal with" inspired thousands to buy what was for many their first book of poetry.

Now, in *Good Poems for Hard Times*, Keillor has pondered over the archives of his beloved *Writer's Almanac* radio show to select a batch of consoling, rousing, and truthful poems guaranteed to raise flagging spirits or to inspire those in need of a dose of wisdom or honesty. But these poems are not about suffering. They're intended to reach us and stricken friends by holding out a picture of the grace of ordinary life. Above all, this eclectic anthology, including works from Raymond Carver, Emily Dickinson, Charles Simic, Billy Collins, Robert Frost, Kenneth Rexroth, and many more, fit Keillor's definition of "good": memorable, beautifully worded, and accessible. They're not highbrow. They're not stuffy. But when hard times send us skidding into the meridian, the poems collected here are what we need them to be: just plain good.

Editorial Review

From Booklist

Having revived the radio variety program with *A Prairie Home Companion* Garrison Keillor turned to broadcasting poetry in the daily short feature *The Writer's Almanac*. In any given week, probably more people hear him read poems than attend poetry readings and slams. That's good because his taste is excellent. But then, his criteria are golden. For him, a poem is good if it's memorable, recitable, and accessible. The almost-unheard-of-for-poetry sales of *Good Poems* (2002) suggest that many endorse his taste and criteria, and the sequel to that success gives them no reason to change their minds. As before, the range of poets represented is broad contemporarily (the majority are alive or very recently deceased) and historically (sixteenth to twenty-first century), though not internationally, for, with one exception (Psalm 51), English is these poems' language of origin. As before, too, these are predominantly poems of domesticity and ordinary things, and when a poem touches the genuinely extraordinary, it is related to everyday life; for instance, Stephen Dobyns' "Thelonious Monk" relates a particular instance of a kind of experience virtually everyone has--the discovery of greatness. Even those tired of Lake Wobegon, or who think Keillor's a bigoted Democrat (especially after *Homemade Democrat*, 2004), should grant that he knows good poetry. *Ray Olson*
