## Here Comes Valentine Cat By Deborah Underwood

**The *New York Times* bestselling Cat is back just in time for Valentine's Day—but he's not interested in giving a valentine to any old *dog*. This homage to classic comic strips is perfect for fans of *Pete the Cat*, *Bad Kitty*, Mo Willems's *Pigeon* books, and of course, Cat's two previous capers, *Here Comes the Easter Cat* and *Here Comes Santa Cat*.**

Cat does NOT like Valentine's Day. It's much too mushy, and no way is he making anyone a valentine—especially not his new neighbor, Dog. Dog refuses to respect the fence: He keeps tossing over old bones and hitting Cat in the head! But just as Cat's about to send Dog an angry "valentine" telling him exactly what he can do with his bones, Dog throws a *ball* over the fence. What is Dog playing at? Cat is in for a hilarious—and heartwarming—surprise in this story about being perhaps too quick to judge.

## Editorial Review

From School Library Journal

PreS-Gr 2—In this creatively presented holiday title, an unidentified narrator speaks directly to Cat, trying to convince the disgruntled feline to make a valentine for a friend. The narrator insists that the holiday "doesn't have to be all mushy." The conversation continues with Cat communicating through eloquently illustrated signs. One sign shows a particularly dastardly portrait of Cat's new canine neighbor. Cat automatically rejects the idea of sending a friendly valentine to Dog. Dog is noisy and keeps throwing things over the fence. Cat vehemently clings to the opinion that dogs are mean and undeserving of Valentine's wishes until an unexpected event changes everything. The humorous ink and color pencil illustrations of the stout, sand-colored kitty will endear Cat to young readers, and they will appreciate the lesson Cat learns: don't jump to conclusions about your friends because everything is not always as it appears. **VERDICT** The story's singular narrative style and simple but expressive illustrations will make it a favorite during the month of February. Pair it with Laura Malone Elliott's *A String of Hearts* (HarperCollins, 2010).—Linda L. Walkins, Saint Joseph Preparatory High School, Boston, MA

## Review

"Cat's facial expressions perfectly mimic those of a toddler and are captured within a pleasing soft palette of ink and color pencil drawings. Wry humor and a twist ending make this book a charmer." —*The Washington Post*

\* "Wickedly fun as ever—Underwood and Rueda clearly know how well sweet and salty go together." —*Publishers Weekly*, starred review

"Underwood's endearing, voiceless cat is back, this time getting a lesson in Valentine's Day tact. . . . Rueda masterfully uses white space and Cat's facial expressions and body language . . . for beautifully pitched comic timing. Cat hasn't lost his ability to charm readers, if for no other reason than children are so able to see themselves in him." —*Kirkus Reviews*

"Fresh and satisfying . . . Empowers kids by positioning them as the narrative voice of reason. . . . Cat is a hoot at the height of his naughtiness, but also he's poignantly repentant . . . Fans of Cat's previous books (and even Valentine's Day-phobes) are likely to fall in love with this series installment." —*BCCB*

"Creatively presented . . . Humorous . . . The story's singular narrative style and simple but expressive illustrations will make it a favorite . . . Pair it with Laura Malone Elliott's *A String of Hearts*." —*School Library Journal*
