### House of Incest By Anais Nin

Anais Nin's famous prose poem and first fictional book, *House of Incest*, appeared in 1936, published in a limited edition by Siana (Anais spelled backwards) Editions in Paris. Often compared to the style of the French Surrealists, it ranks among the most unique representations of English prose in the 20th century, free-flowing, evoking dreamlike images that weave in and around the passages. Among the hallucinatory words, heavily symbolic images come into focus: the fabled house in Louveciennes, France; the erotic liaison with June Miller; the god-like mentor, D.H. Lawrence; and impossible incestuous love—all fragments of a nebulous being slowly coalescing into an elevated state of existence.

### Editorial Review

#### Review

“House of Incest is a strange and challenging work that demands the full attention of the reader. It is not so much a story of people (although it certainly is that) as it is a visit into the hellish nightmare of the narrator's experience from which she emerges satisfactorily. But, however one approaches the work, House of Incest is Nin's best work of fiction and one that contains most of her basic themes, images and patterns that she would use in her later work.”

— Benjamin Franklin and Duane Schneider

#### About the Author

**Anais Nin**—the celebrated novelist, diarist, and short story writer—was born in France and spent her childhood in various parts of Europe and in New York. Nin returned to New York just before the outbreak of World War II, and she spent the rest of her life living there and in Paris and Los Angeles. Her work is characterized by a interest in the subconscious. Her five novels in the Cities of the Interior series focus on different female types and follow their lives through lovers, art, and analysis. In 1973 Nin received an honorary doctorate from Philadelphia College of Art. She was elected to the National Institute of Arts and Letters in 1974.
