Hyperion By Dan Simmons

A stunning tour de force filled with transcendent awe and wonder, *Hyperion* is a masterwork of science fiction that resonates with excitement and invention, the first volume in a remarkable epic by the multiple-award-winning author of *The Hollow Man*.

On the world called Hyperion, beyond the reach of galactic law, waits a creature called the Shrike. There are those who worship it. There are those who fear it. And there are those who have vowed to destroy it. In the Valley of the Time Tombs, where huge, brooding structures move backward through time, the Shrike waits for them all.

On the eve of Armageddon, with the entire galaxy at war, seven pilgrims set forth on a final voyage to Hyperion seeking the answers to the unsolved riddles of their lives. Each carries a desperate hope—and a terrible secret. And one may hold the fate of humanity in his hands.

Praise for Dan Simmons and *Hyperion*

“Dan Simmons has brilliantly conceptualized a future 700 years distant. In sheer scope and complexity it matches, and perhaps even surpasses, those of Isaac Asimov and James Blish.”—*The Washington Post Book World*

“An unfailingly inventive narrative . . . generously conceived and stylistically sure-handed.”—*The New York Times Book Review*

“Simmons’s own genius transforms space opera into a new kind of poetry.”—*The Denver Post*

“An essential part of any science fiction collection.”—*Booklist*

Editorial Review

Users Review

From reader reviews:

Deborah Allen:

The book Hyperion make you feel enjoy for your spare time. You need to use to make your capable much more increase. Book can to become your best friend when you getting strain or having big problem with your subject. If you can make reading a book Hyperion for being your habit, you can get far more advantages, like add your current capable, increase your knowledge about some or all subjects. It is possible to know everything if you like open and read a reserve Hyperion. Kinds of book are several. It means that, science publication or encyclopedia or some others. So , how do you think about this e-book?

James Horowitz:

Do you among people who can't read gratifying if the sentence chained inside straightway, hold on guys this particular aren't like that. This Hyperion book is readable through you who hate those straight word style. You will find the facts here are arrange for enjoyable reading experience without leaving even decrease the knowledge that want to supply to you. The writer connected with Hyperion content conveys thinking easily to understand by a lot of people. The printed and e-book are not different in the content but it just different as it. So , do you still thinking Hyperion is not loveable to be your top list reading book?

Darron Hiller:

This Hyperion usually are reliable for you who want to certainly be a successful person, why. The reason why of this Hyperion can be one of the great books you must have is actually giving you more than just simple examining food but feed you with information that probably will shock your earlier knowledge. This book will be handy, you can bring it everywhere and whenever your conditions in e-book and printed versions. Beside that this Hyperion forcing you to have an enormous of experience like rich vocabulary, giving you demo of critical thinking that we understand it useful in your day task. So , let's have it appreciate reading.

Daphne Jones:

Reading a publication tends to be new life style in this particular era globalization. With examining you can get a lot of information that could give you benefit in your life. With book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only the story that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their

proficiency in writing, they also doing some study before they write to their book. One of them is this Hyperion.
