Editorial Review

Amazon.com Review

Edith Hamilton loved the ancient Western myths with a passion--and this classic compendium is her tribute. "The tales of Greek mythology do not throw any clear light upon what early mankind was like," Hamilton explains in her introduction. "They do throw an abundance of light upon what early Greeks were like--a matter, it would seem, of more importance to us, who are their descendants intellectually, artistically, and politically. Nothing we learn about them is alien to ourselves." Fans of Greek mythology will find all the great stories and characters here--Perseus, Hercules, and Odysseus--each discussed in generous detail by the voice of an impressively knowledgeable and engaging (with occasional lapses) narrator. This is also an excellent primer for middle- and high-school students who are studying ancient Greek and Roman culture and literature. --*Gail Hudson*

Review

"Edith Hamilton retells the Greek, Roman, and Norse myths with a sure taste and scholarship that help to restore their quality as perennial and refreshing fables about human nature, including our own."?The New Yorker

"No one in modern times has shown us more vividly than Edith Hamilton 'the glory that was Greece and the grandeur that was Rome.' Filtering the golden essence from the mass of classical literature, she proved how applicable to our daily lives are the humor and wisdom of more than 2,000 years ago."?New York Times

From the Back Cover

MONSTERS, MORTALS, GODS, AND WARRIORS

For over fifty years readers have chosen this book above all others to discover the thrilling, enchanting, and fascinating world of Western mythology. From Odysseus's adventure-filled journey to the Norse god Odin's effort to postpone the final day of doom, Edith Hamilton's classic collection not only retells these stories with brilliant clarity but shows us how the ancients saw their own place in the world and how their themes echo in our consciousness today. An essential part of every home library, MYTHOLOGY is the definitive volume for anyone who wants to know the key dramas, the primary characters, the triumphs, failures, fears, and hopes first narrated thousands of years ago -- and still spellbinding to this day.

Users Review

From reader reviews:

Betty Terry:

This Mythology book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book will be information inside this publication incredible fresh, you will get info which is getting deeper anyone read a lot of information you will get. This kind of Mythology without we know teach the one who examining it become critical in pondering and analyzing. Don't possibly be worry Mythology can bring once you are and not make your bag space or bookshelves' turn out to be full because you can have it within your lovely laptop even cellphone. This Mythology having fine arrangement in word and also layout, so you will not really feel uninterested in reading.

Frances Smith:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your day time to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short time to read it because pretty much everything time you only find e-book that need more time to be read. Mythology can be your answer as it can be read by an individual who have those short spare time problems.

Blake Darden:

Many people spending their moment by playing outside using friends, fun activity having family or just watching TV all day long. You can have new activity to spend your whole day by studying a book. Ugh, do you think reading a book can definitely hard because you have to use the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Cell phone. Like Mythology which is keeping the e-book version. So , why not try out this book? Let's view.

Bonnie Parker:

What is your hobby? Have you heard in which question when you got students? We believe that that issue was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And you know that little person just like reading or as studying become their hobby. You should know that reading is very important in addition to book as to be the thing. Book is important thing to add you knowledge, except your own teacher or lecturer. You get good news or update regarding something by book. Amount types of books that can you choose to use be your object. One of them is this Mythology.
