Never Go Back: A Jack Reacher Novel By Lee Child

#1 NEW YORK TIMES BESTSELLER • SOON TO BE A MAJOR MOTION PICTURE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *KIRKUS REVIEWS*

Never go back—but Jack Reacher does, and the past finally catches up with him. . . . *Never Go Back* is a novel of action-charged suspense starring “one of the best thriller characters at work today” (*Newsweek*).

Former military cop Jack Reacher makes it all the way from snowbound South Dakota to his destination in northeastern Virginia, near Washington, D.C.: the headquarters of his old unit, the 110th MP. The old stone building is the closest thing to a home he ever had.

Reacher is there to meet—in person—the new commanding officer, Major Susan Turner, so far just a warm, intriguing voice on the phone.

But it isn’t Turner behind the CO’s desk. And Reacher is hit with two pieces of shocking news, one with serious criminal consequences, and one too personal to even think about.

When threatened, you can run or fight.

Reacher fights, aiming to find Turner and clear his name, barely a step ahead of the army, and the FBI, and the D.C. Metro police, and four unidentified thugs.

Combining an intricate puzzle of a plot and an exciting chase for truth and justice, Lee Child puts Reacher through his paces—and makes him question who he is, what he’s done, and the very future of his untethered life on the open road.

Don’t miss Lee Child’s short story “High Heat” in the back of the book.

Praise for *Never Go Back*

“A breathless cross-country spree . . . some of the best, wiliest writing [Lee] Child has ever done . . . Child’s bodacious action hero, Jack Reacher, has already tramped through 17 novels and three e-book singles. But his latest, *Never Go*

Back, may be the best desert island reading in the series. It's exceptionally well plotted. And full of wild surprises. And wise about Reacher's peculiar nature. And positively Bunyanesque in its admiring contributions to Reacher lore.”—**Janet Maslin, *The New York Times***

“Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong place at the right time. . . . Child has created an iconic character that other thriller writers try to emulate but don't come close to matching. He has a talent for taking material that in the hands of other authors would be stale and making it seem fresh. . . . Tight and compelling . . . *Never Go Back* is one of Child's best novels.”—**Associated Press**

“An adrenaline-charged, action-packed thriller . . . impossible to put down.”—***Lansing State Journal***

“The dialogue has never been sharper. . . . The pages turn themselves.”—***San Antonio Express-News***

“For the pure pleasure of uncomplicated, nonstop action, no one touches Reacher.”—***Kirkus Reviews* (starred review)**

“Brilliant . . . Child never, ever slips. He keeps the action cranking better than anyone, but, best of all, he keeps us guessing about Reacher.”—***Booklist* (starred review)**

“One of the best in the series.”—***Publishers Weekly* (starred review)**

From the Paperback edition.

Editorial Review

From Publishers Weekly

Starred Review. Since talking to Maj. Susan Turner on the telephone from South Dakota in 2010's 61 Hours (bestseller Childs's 14th Jack Reacher novel), the former military cop has been heading to the Virginia headquarters of his old unit, the 110th MP, in hopes of meeting her. In this 18th outing, Reacher finally arrives in Virginia, where his plan to meet Turner is initially thwarted by thugs who want to keep them apart. An arrest for a crime Reacher doesn't remember committing 16 years earlier and the dangled bait that he might be a father provoke him to run, kicking off a cross-country odyssey. As usual, head-busting physicality and analytical problem solving play key roles in Reacher's fight to prove his innocence and expose his enemies. Manhunts on both coasts, a link to corruption in Afghanistan in the wake of the U.S. military drawdown, and the possibility for romance between Reacher and Turner make this entry one of the best in the series. Agent: Darley Anderson, Darley Anderson Literary. (Sept.)

Starred Review Jack Reacher, the loner thumbing his way through life, despises entanglements. So what could he possibly be doing going back to his old barracks in Washington, D.C., to take a woman to dinner? Yes, the woman, Major Susan Turner, is now the C.O. of Reacher's former unit, and, yes, he liked her voice when he talked to her on the phone in 61 Hours (2010), but, really, Reacher, what were you thinking? Naturally, when Reacher arrives on the base to ask Turner out, he discovers a whopping mess—and lands in the middle of it. Turner is in the brig, and the army promptly arrests Reacher on what seems to be a trumped-up charge involving a case from decades ago. And what's this about Reacher having a daughter, of all things, whose mother is suing for child support? None of it makes sense, except that somehow it must all tie together. Nothing to do but break out of the brig, with Turner in tow, and set things right, which requires a cross-country road trip, more than a little rough stuff, and a whole lot of fretting about entanglements. Child never, ever slips. He keeps the action cranking better than anyone, but, best of all, he keeps us guessing about Reacher. Will he, of all people ("Ninety-nine of us grow up to fear the howling wolf, and one grows up to envy it. I'm that guy."), really hang up his toothbrush (his only traveling accoutrement) this time? Child has spent 17 novels committing his hero to the call of the wild, and now he dangles a dinner date and a possible daughter in front of the howling wolf? Brilliant. **HIGH-DEMAND BACKSTORY:** Published in nearly 40 countries and more than 70 languages with more than 70 million copies in print, the Jack Reacher series is a publishing phenomenon and won't go away anytime soon. --Bill Ott
