### Editorial Review

#### From the Publisher

Only one source of study notes is completely infallible--the Bible itself. No one can explain the Bible like the Bible. That's why Zondervan has published The NIV Thematic Reference Bible. It's the Bible that interprets itself. Over 120,000 theme references are all designed to let the Scriptures themselves speak on nine central categories: God, Jesus Christ, Holy Spirit, Creation, Humanity, Sin & Salvation, God's People, The Life of the Believer, and Last Things. Crafted under the expert editorship of Alister McGrath, Dr. J.I. Packer, Professor D.J. Wiseman, and others, The NIV Thematic Reference Bible is divided into two sections: the Bible text, with thousands of cross-references, and the Thematic Section, which allows the reader to study over 2,000 topics within the nine key themes mentioned above. Other features include: ? Introductions to each book of the Bible, emphasizing the book's theme ? Nearly 200 panels giving more detailed descriptions of key themes ? An alphabetical index of themes, panels, and book introductions ? Black-letter text ? 8 pages of full-color maps ? Two ribbon markers And of course, The NIV Thematic Reference Bible uses the most widely used contemporary translation, the New International Version--chosen by millions for its clarity and accuracy, and supported by more reference resources than any other translation available. So when readers want to find out what the Bible has to say about itself, show them The NIV Thematic Reference Bible. It's a gold mine of truth for those with the desire to let the Scriptures speak clearly and concisely. [Include photo of Packer.]
