### Editorial Review

#### Review

"Return to Canifis is a powerful sequel and improves on its already impressive predecessor in almost every way, pure high fantasy at its finest." - **SFBook Reviews**

". . . not only a better book than its predecessor, it actually makes for a pretty darn good fantasy read. Return to Canifis is a great sequel to Betrayal at Falador and undoubtedly an important entry into RuneScape canon . . . Most importantly, it's an exciting fantasy novel that is highly accessible by both fantasy and non-fantasy nuts." - **First Hour Book Review**

"I can highly recommend giving Return to Canifis a read. Despite having to read Betrayal at Falador to understand what's going on, no further knowledge of the Runescape franchise is needed. The story is very well told, and when it grips you it is almost impossible to put the book down. The cliffhanger ending gives me hope for a third book, and if it is as good as this then we are all in for a treat." - **The Sixth Axis Book Review**
