## **Editorial Review**

### **Review**

"Spot is one of the essential experiences of childhood." (*Parents magazine*)

### **About the Author**

Eric Hill ([www.funwithspot.com](http://www.funwithspot.com)) left school when he was 15 and took up cartooning while working as a messenger at an art studio. He created *Where's Spot?* as a bedtime story for his two-year old son. It was published four years later, and the rest is history. Eric Hill passed away in July 2014.

## **Users Review**

### **From reader reviews:**

#### **David Sweet:**

Nowadays reading books become more and more than want or need but also get a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The information you get based on what kind of guide you read, if you want drive more knowledge just go with training books but if you want experience happy read one with theme for entertaining for example comic or novel. Often the Spot Goes to School (color) is kind of book which is giving the reader unforeseen experience.

#### **David Nester:**

Do you have something that you want such as book? The reserve lovers usually prefer to opt for book like comic, limited story and the biggest the first is novel. Now, why not hoping Spot Goes to School (color) that give your fun preference will be satisfied simply by reading this book. Reading practice all over the world can be said as the method for people to know world far better then how they react towards the world. It can't be explained constantly that reading addiction only for the geeky particular person but for all of you who wants to become success person. So , for all you who want to start studying as your good habit, you are able to pick Spot Goes to School (color) become your own starter.

#### **Opal Moffett:**

This Spot Goes to School (color) is great book for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. This book reveal it information accurately using great plan word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with beautiful delivering sentences. Having Spot Goes to School (color) in your hand like keeping the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world with ten or fifteen tiny right but this publication already do that. So , it

is good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?

**Gerald McMullen:**

Some people said that they feel uninterested when they reading a e-book. They are directly felt it when they get a half areas of the book. You can choose typically the book Spot Goes to School (color) to make your own reading is interesting. Your personal skill of reading skill is developing when you similar to reading. Try to choose very simple book to make you enjoy to study it and mingle the feeling about book and looking at especially. It is to be first opinion for you to like to start a book and read it. Beside that the book Spot Goes to School (color) can to be your new friend when you're experience alone and confuse with the information must you're doing of the time.
