## **The History and Politics of UN Security Council Reform (Routledge Advances in International Relations and Global Pol) By Dimitris Bourantonis**

This is a penetrating analysis of UN Security Council reform. It presents an overview of the current debates - emphasising the potential for, and modalities of, adjustment in the post-Cold War era - through a systematic investigation of the various reform proposals and the attitudes of member states. This is essential reading for all students and scholars of the United Nations and international relations.
