Some loves will last 'til your dying breath

Every choice has consequences—but seventeen-year-old Layla faces tougher choices than most. Light or darkness. Wickedly sexy demon prince Roth, or Zayne, the gorgeous, protective Warden she never thought could be hers. Hardest of all, Layla has to decide which side of herself to trust.

Layla has a new problem, too. A Lilin—the deadliest of demons—has been unleashed, wreaking havoc on those around her...including her best friend. To keep Sam from a fate much, much worse than death, Layla must strike a deal with the enemy while saving her city—and her race—from destruction.

Torn between two worlds and two different boys, Layla has no certainties, least of all survival, especially when an old bargain comes back to haunt them all. But sometimes, when secrets are everywhere and the truth seems unknowable, you have to listen to your heart, pick a side—and then fight like hell...

## **Editorial Review**

From [Booklist](#)

With this first title in her new Dark Elements series, powerhouse author Armentrout delivers another action-packed, believably narrated ride through a paranormal world as seen by a teen. Layla is like any 17-year-old with high-school woes, BFFs, and a crush that won't stop. While her human friends know she lives with a family of Wardens (gargoyles), they don't know about her nonhuman lineage: Layla is half gargoyle and half demon, which renders her an outcast in both those worlds. With a long-standing crush on a super cute Warden, Zayne, that seems doomed because of both her mixed blood as well as the fact he seems to regard her more like a little sister, Layla thinks her life is complicated enough. Then she meets demon Roth, the most dangerous, kissable guy ever, with his tattoos and bad boy smile. Roth insists he knows more about Layla's past than she does—and that her Warden family has deliberately kept her in the dark too long. Intense, well plotted, and very readable, this title should fly into the hands of every paranormal reader out there. **HIGH-DEMAND BACKSTORY:** Armentrout is a New York Times and USA Today best-selling author, which means she has lots of hungry fans. Grades 9-12. --Julie Trevelyan
