**Confessions of an Illuminati, Volume I: The Whole Truth About the Illuminati and the New World Order** By Leo Lyon Zagami

**In English for the first time, a guide to the true secret structure of the Illuminati and their invisible network**

Author Leo Lyon Zagami uses the Illuminati's internal documents and reveals confidential and top-secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies—just as those inside the most prestigious U.S. universities such as Yale or Harvard—have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book exposes the hidden structure of the New World Order and the occult practices of the various groups involved with it, including their connections to the intelligence community and the infamous Ur-Lodges.

### Editorial Review

#### Review

"*Leo Zagami* tackles with courage and determination the difficult theme of secret societies and in particular the Western initiatic system, offering an avalanche of historical detail and valuable information. A titanic work, full of clarity and realism, indispensable for anyone who wants to understand thoroughly the occult scenario unknown to most people, but also an 'enlightening' guide to better cope with a world that is about to change radically in the delicate inscrutable relationship between earthly power and other unworldly powers." —*Varo Venturi*, film director, *6 days on Earth*

"Author Leo Lyon Zagami uses the Illuminati's internal documents and reveals confidential and top-secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies - just as those inside the most prestigious U.S. universities such as Yale or Harvard - have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book exposes the hidden structure of the New World Order and the occult practices of the various groups involved with it, including their connections to the intelligence community and the infamous Ur-Lodges. Critique: A scattering of black-and-white photographs illustrates this astonishing glimpse into the power structures and occult practices of notorious secret societies, including their connections to metaphysical pioneer Aleister Crowley, hostile extraterrestrial lifeforms, the intelligence community, and more. But how can ordinary people take a stand against vested interests of money and power? Knowledge is the first step, and even the most skeptical browser will find *Confessions of an Illuminati* modus operandi expose enlightening!" —*Midwest Book Review*
