### Editorial Review

#### Amazon.com Review

Young wizard-in-training Harry Potter has had his hands full during his first four years at Hogwarts School of Witchcraft and Wizardry. As if excelling on and off the Quidditch field isn't enough, Harry has heard evil voices in the walls, saved lives, and fended off convicts. Only time will tell how Harry will manage the certain dangers in store for him over the next few years. The first four titles of J.K. Rowling's magical, witty, exciting adventures are now available in a gift set, perfect for the legions of children whose big brothers and sisters (and parents) have made off with their copies. These gripping fantasy novels are on the road to becoming classics--don't wait to collect these lovely hardcover editions, illustrated by the talented Mary GrandPré. Each boxed set includes *Harry Potter and the Sorcerer's Stone*, *Harry Potter and the Chamber of Secrets*, *Harry Potter and the Prisoner of Azkaban*, and *Harry Potter and the Goblet of Fire*. (Ages 8 and older) --Emilie Coulter

### Users Review

#### From reader reviews:

##### Jetta Butler:

Many people spending their time frame by playing outside along with friends, fun activity along with family or just watching TV the whole day. You can have new activity to shell out your whole day by looking at a book. Ugh, ya think reading a book really can hard because you have to accept the book everywhere? It fine you can have the e-book, getting everywhere you want in your Cell phone. Like Harry Potter Adult Edition Box Set: Four Volumes in Paperback which is having the e-book version. So , why not try out this book? Let's view.

##### Linda Christopher:

As we know that book is significant thing to add our knowledge for everything. By a publication we can know everything we would like. A book is a set of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This publication Harry Potter Adult Edition Box Set: Four Volumes in Paperback was filled in relation to science. Spend your time to add your knowledge about your technology competence.
