### Hidden Faces By Salvador Dali

*As far back as 1922 the great poet Garcia Lorca had predicted that I was destined for a literary career and had suggested that my future lie precisely in the "pure novel."*

In Salvador Dalí's only novel, the reader enters the bizarre world already familiar to us from his paintings. Dalí describes, in vividly visual terms, the intrigues and love affairs of a group of dazzling, eccentric aristocrats who, with their luxurious and extravagant lifestyle, symbolize the decadence of the 1930s. The story of the tangled lives of the protagonists, from the February riots of 1934 in Paris to the closing days of World War II, constitutes a brilliant and dramatic vehicle for Dalí's vision and reads as an epitaph of pre-war Europe.

### Editorial Review

#### Review

'The book is so full of visual invention, so witty, so charged with an almost Dickensian energy that it's difficult not to accept its author's own arrogant evaluation of himself as a genius.' - George Melly, Observer  
'Start the first page and you are in the presence of an old-fashioned baroque novel, intelligent, extravagant, as photographically precise as his paintings but not so silly ... Dali notices everything ...' - P.J. Kavanagh, Guardian

#### Language Notes

Text: English, Spanish (translation)

#### About the Author

**Salvador Dali** is, with Picasso, the most renowned artist of the 20th century.

### Users Review

#### From reader reviews:

##### **James Lightle:**
