Kim Kardashian By Sean Smith

The definitive biography of the world's number-one reality star, Kim Kardashian West—the savvy entrepreneur and fashion forward woman who has defined fame for today's generation—from the UK's leading celebrity biographer.

A thoroughly modern woman, Kim Kardashian West, the daughter of headline-making lawyer Robert Kardashian, grew up like a princess in a Beverley Hills mansion. As a young girl, Kim's ambition was to appear on *The Real World*, the groundbreaking hit series. But reality proved even bigger than her dreams, when just a few years later she became the star of her own smash show, *Keeping Up With the Kardashians*.

While *Keeping Up with the Kardashians* took us into Kim's privileged world and made her a household name, the details of her life story—murder, elopement, domestic violence, a sex tape, a quickie divorce, religious worship, and unbelievably glamorous designer fashions—played out like an X-rated version of the 1980s soap opera *Dynasty*. But Kim's story has only just begun. Married for a second time—to one of the biggest stars on the planet, Kanye West—she has begun her own dynasty with the birth of daughter, North, and another baby due in November 2015.

Filled with delicious, painstakingly researched, eye-popping detail, *KIM* uncovers what it took for Kim to rise to the top—and how she intends to stay there. Sean Smith offers a multidimensional portrait of this remarkable woman, exploring her childhood, her family, her turbulent love life, and her glitzily multi-millionaire lifestyle. From her fabulous fashion-sense, to her world-famous physique, to her devotion to her family, including her relationship with her stepparent, Bruce Jenner and his transition to Caitlyn Jenner, this sensational, addictive biography tells the unvarnished truth about the undisputed Queen of Celebrity—the real story of Kim Kardashian.

Editorial Review

From the Back Cover

Kim Kardashian is a phenomenon.

Despite her privileged upbringing in Beverly Hills, ten years ago Kim was just a modest stylist to stars like Paris Hilton and Brandy, making extra money selling her clothes on eBay. But a combination of hard work, an astute business brain, a hit TV series and a body to die for turned her life around.

In this revealing unauthorized biography of Kim, bestselling author Sean Smith discovers a sweet, kind, and smart young woman whose life story reads like an X-rated version of *Dynasty* . . . an infamous murder case, elopement, a notorious sex tape, a seventy-two-day marriage, gender transition—and impossibly glamorous designer dresses.

Finding love with one of the biggest stars on the planet, Kanye West, she has begun her own dynasty with her daughter, North, and the approaching birth of her son. Now, as Kim Kardashian West, she is the most photographed and talked-about celebrity of the past decade. Her following on Instagram alone exceeds 42 million, over 4 million more than the population of her home state of California.

Kim Kardashian follows her extraordinary journey—from her childhood and amazing family to her turbulent love life and multi-million-dollar lifestyle. It is the ultimate insight into an icon of our times.

About the Author

Sean Smith is the UK's leading celebrity biographer and the author of the number one bestseller *Cheryl*, the definitive biography of Cheryl Fernandez-Versini, as well as bestselling books about Tom Jones, Robbie Williams, and Kate Middleton.

His books about the most famous people of our time have been translated throughout the world. His subjects include Gary Barlow, Kylie Minogue, Justin Timberlake, Britney Spears, Victoria Beckham, Jennifer Aniston, Alesha Dixon, and J. K. Rowling. Described by the *Independent* (UK) as a "fearless chronicler," he specializes in meticulous research, going "on the road" to find the real person behind the star image.

Users Review

From reader reviews:

Vanessa McGinty:

What do you ponder on book? It is just for students because they're still students or it for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be forced someone or something that they don't want do that. You must know how great and also important the book Kim Kardashian. All type of book are you able to see on many resources. You can look for the internet sources or other social media.

Eileen Williams:

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story or their experience. Not only the story that share in the guides. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some analysis before they write to the book. One of them is this Kim Kardashian.

Julie Nealy:

Are you kind of busy person, only have 10 or 15 minute in your morning to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short space of time to read it because all of this time you only find book that need more time to be go through. Kim Kardashian can be your answer because it can be read by a person who have those short time problems.

Carlos Mendoza:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information from the book. Book is published or printed or created from each source that filled update of news. With this modern era like currently, many ways to get information are available for a person. From media social just like newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Do you want to spend your spare time to spread out your book? Or just searching for the Kim Kardashian when you required it?
