### Editorial Review

From [Booklist](#)

\*Starred Review\* Gaiman's frequent collaborator Russell brings his decades of comics know-how to this lovely, lyrical adaptation of the author's well-loved, Newbery Medal-winning book. Not content to rely exclusively on his own distinctive talents, Russell has enlisted some of the industry's greatest contemporary illustrators as contributors, who fill the panels with appropriately gothic tones. In order to give ample room to the novel's twists and turns, the adaptation has been divided into two parts (the second will be released this fall). Running through the first five chapters and interlude of Gaiman's original, this volume weaves the inviting magical story of toddler Nobody Owens, who escapes the brutal murder of his family and is adopted by the supernatural denizens of a graveyard. The well-paced narrative follows Bod as his new graveyard family raises him with care and attentiveness and he begins to explore both the ghostly world he inhabits and the outside world that is his heritage. Each illustrator brings a unique aesthetic, blending together seamlessly to enrich the tale and suggest the subtle shifts of clever Bod's growth and burgeoning sense of adventure. Fans of Gaiman's delightfully macabre sensibilities will be elated. **HIGH-DEMAND BACKSTORY:** Gaiman's fans are loyal and plentiful. Add a Newbery Medal to the mix and this will be a barn burner. Grades 6-10. --Jesse Karp

#### Review

“Russell calls attention to the drama and wit of the language in each sentence...The real achievement of this adaptation is that readers will want to jump back to the novel and then leap back again, time after time.”  
(Kirkus Reviews)

” [A] lovely, lyrical adaptation...Fans of Gaiman's delightfully macabre sensibilities will be elated.”  
(Booklist (starred review))

”[A] vastly entertaining adaptation...It's a treasure worth having even if the novel is already on the shelf.”  
(Publishers Weekly (starred review))

“This adaptation celebrates friendship, loyalty, and family with similar humor and aplomb.” (School Library Journal)

“The delights here are many.” (NPR)

“The graphic novel captures and enhances the magic and horror in new and unexpected ways.” (Voice of Youth Advocates (VOYA))

#### From the Back Cover

It Takes a Graveyard to Raise A Child.

Nobody Owens, known as Bod, is a normal boy.

He would be *completely* normal if he didn't live in a graveyard, wasn't being raised by ghosts, and didn't have a guardian who belongs to neither the world of the living nor the dead.

There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

Each chapter in this adaptation by P. Craig Russell is illustrated by a different luminary from the comic book world, showcasing a variety of styles from a breadth of talent. Together, they bring Neil Gaiman's award-winning, nationally bestselling children's novel *The Graveyard Book* to new life in this gorgeously illustrated two-volume graphic novel adaptation.

Volume One contains Chapter One through the Interlude, while Volume Two includes Chapter Six through the end.

## **Users Review**

### **From reader reviews:**

#### **Rosemary Till:**

The book The Graveyard Book Graphic Novel: Volume 1 can give more knowledge and also the precise product information about everything you want. So why must we leave the good thing like a book The Graveyard Book Graphic Novel: Volume 1? Several of you have a different opinion about guide. But one aim this book can give many details for us.
