Editorial Review

From the Back Cover

"I was amazed to find that *Traumgekrönt*, Rilke's third collection of poems, has never before been translated into English. And so I am deeply grateful to Lorne Mook for faithful translation which introduces us to the beginnings of this great poet. Any reader interested in 20th-Century poetry will want to know more about the progress of Rilke's development--and for any such study, this book is a must."--Ilya Kaminsky

"Lorne Mook's version of *Dream-Crowned* gives us the heart of the young Rilke: lonely, spiritual, full of fin-de-siècle yearning. This is the poet at twenty-one, before his trips to Russia with Lou Andreas-Salomé, before Paris, Rodin, and the great breakthrough of the *New Poems*. It is common to believe that Rilke found his true voice only in the first decade of the twentieth century. But the deep Romanticism in these lyrics of lovers and dreamers runs through his career, and Lorne Mook reveals that abiding source."--Don Bogen

Users Review

From reader reviews:

Robert Grant:

Typically the book *Dream Crowned* will bring that you the new experience of reading the book. The author style to clarify the idea is very unique. When you try to find new book to see, this book very suitable to you. The book *Dream Crowned* is much recommended to you to read. You can also get the e-book from the official web site, so you can easier to read the book.

Paul Birch:

Would you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Aim to pick one book that you find out the inside because don't determine book by its include may doesn't work the following is difficult job because you are frightened that the inside maybe not while fantastic as in the outside search likes. Maybe you answer is usually *Dream Crowned* why because the amazing cover that make you consider about the content will not disappoint you. The inside or content is actually fantastic as the outside as well as cover. Your reading 6th sense will directly guide you to pick up this book.

Mary Wright:

It is possible to spend your free time to see this book this guide. This *Dream Crowned* is simple bringing you can read it in the playground, in the beach, train along with soon. If you did not get much space to bring typically the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Randy Jones:

In this era which is the greater particular person or who has ability to do something more are more important than other. Do you want to become among it? It is just simple approach to have that. What you have to do is just spending your time not much but quite enough to enjoy a look at some books. One of several books in the top list in your reading list is definitely Dream Crowned. This book that is certainly qualified as The Hungry Mountains can get you closer in growing to be precious person. By looking upward and review this e-book you can get many advantages.
