As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to at this time there

but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is being complicated.
