Gulliver Takes Manhattan By Justin Luke Zirilli

Gulliver Takes Manhattan (first published as *Gulliver Travels*) is the tale of twenty-something Gulliver Leverenz, who abandons sunny L.A. for a fresh start in New York. He's leaving behind his family, his friends—and one bastard ex-boyfriend who can't take a hint. With no money, job, or direction, Gully gratefully accepts an invitation to crash with his former fraternity brother Todd. As luck would have it, Todd lives in Hell's Kitchen, New York's hottest "gayborhood," and is a rising star in the gay nightlife scene, complete with a crew of incredibly hot friends. Not long after, Gully snags a job with a talent agent and even finds himself a new boyfriend. There's just one catch: Gulliver knows this budding relationship could get him in a lot of trouble. And inevitably, it does just that. Gulliver's streak of good fortune soon takes a turn for the miserable as his choices unleash an onslaught of catastrophes that leaves him in a tragic and seemingly hopeless situation beneath the skyscrapers. But Gully's tougher than he realizes and is determined to prove, for once and for all, that he has what it takes to make it in New York. By turns exciting, sad, and hysterically funny, *Gulliver Takes Manhattan* is a refreshingly candid tale of one man's quest to stake a place for himself in the greatest city in the world.

Editorial Review

Review

"New York is famous for its literary movements...[and] the Facebook generation has produced a number of unlikely breakout stars, including author Justin Luke Zirilli." --*Advocate.com*

"[Zirilli] manages to give his characters depth, fluidity, composition, posture, and sets them all in a background that is believable and vivid. Above all, I didn't want to put the book down." --Garrett Frechette, *Examiner.com*

"There is a lot of observational humor...in this coming of age story. Good stuff." --*Guerillabookworm.com*

"Your beach bag isn't complete without this debut novel...comically divided into four 'rounds' that might also serve to remind you it's time to apply more sunscreen." --Donalevan Maines, *Out Smart* magazine

About the Author

Justin Luke is the Co-Director and Head Promoter of the New York-Based gay nightlife events company, BoiParty.com. Together with his partner, Alan Picus, they throw weekly dance parties throughout the city. Justin is also a social media consultant and addict. He has helped countless companies and individuals take advantage of Facebook, Twitter, Blogs and Podcasts to get out into the world, and grab attention by the throat. He is also the creator of Gorgeous, Gay and Twenty-Something, a private international Facebook group now comprised of over 4,000 members. When not being a nerd and/or writing, Justin spends his time in Hell's Kitchen, usually playing Playstation and watching 30 Rock with his boyfriend, Mash-Up Mastermind DJ JoeRedHead.
