Louis XIV and Absolutism: A Brief Study with Documents (Bedford Series in History & Culture (Paperback)) By William Beik

This unique collection of documents with commentary explores the meaning of absolute monarchy by examining how Louis XIV of France became one of Europe's most famous and successful rulers. In the introduction, William Beik succinctly integrates the theoretical and practical nature of absolutism and its implications for the development of European states and society. The documents, newly translated and carefully selected for their readability, examine the problems of the Fronde, Colbert's grasp of the economic and fiscal dimensions of the kingdom, the taming of the rural nobility, the interaction of royal ministers and provincial authorities, the repression of Jansenists and Protestants, popular rebellions, and royal image-making. Explanatory notes, a chronology, a map, a genealogy chart, and 9 striking images further strengthen this volume's usefulness in the undergraduate classroom.

Editorial Review

Review

"Beik has selected documents that offer an appropriate balance between elite and popular views and experiences of Louis XIV's absolute monarchy and between the center of power and the periphery. The translations are consistently lively, and the topics should generate some spirited discussions. The general introduction, the chapter introductions, the headnotes, and the editorial interjections are well crafted and have just the right touch of informality to appeal to undergraduate students."

About the Author

WILLIAM BEIK is professor of history at Emory University. An authority on the social and institutional history of seventeenth-century France, he is the author of *Abolutism and Society: State Power and Provincial Aristocracy in Languedoc* (1985), which won the 1986 Herbert Baxter Adams Prize of the American Historical Association, and of *Urban Protest in Seventeenth-Century France: the Culture of Retribution* (1987). He has written numerous articles and is coeditor of the New Approaches to European History series at Cambridge University Press.

Users Review

From reader reviews:

Jenifer Bell:

Have you spare time for just a day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity with regard to spend your time.
