Review

"It never ceases to surprise me that at a time when our world faces massive problems such as war, disease, hunger and starvation some people should be spending so much time and energy on sexual orientation, determined to discriminate against others because of their sexual orientation. I believe that the LGBT (Lesbian, Gay, Bisexual and Transgender) community has the same rights and freedom as anyone else in our world. We are not free until we are all free. In *Queer Questions, Clear Answers*, Tom Serwatka looks at the issues that keep dividing us on this topic. Throughout the pages of his book he offers us the tools we need to carry on an open and honest dialogue -- a dialogue aimed at building understanding and respect for each other." (Archbishop Desmond Tutu)

"If you are going to read just one book about our social struggle with sexual orientation and the heated arguments surrounding this topic, it needs to be *Queer Questions, Clear Answers: The Contemporary Debates on Sexual Orientation*. This user-friendly book will help us understand the issues from various perspectives--why we are fighting over the origins of homosexuality, how we have both accepted and rejected gay men, lesbians, and bisexuals throughout history, and where we are in the current battle for equal rights. Serwatka also provides us with direct answers about some of our society's often mentioned fears of sexual promiscuity, child molestation, and mental illness. In his unique informative and engaging style, Serwatka presents his case providing us with an intelligently written review of the research that's being used by both conservative and liberal voices, adding personal stories to help us understand how these facts affect our daily life decisions. STARS to Dr. Serwatka for taking on this challenge for ALL sides to consider." (Dr. Marilyn Volker, nationally known sexologist and former host of SIRIUS radio's *Sex with Marilyn*)
