**Startled by His Furry Shorts** By Louise Rennison

On the rack of romance. And also in the oven of luuurve.

Woe is Georgia: Dave the Laugh has declared his love for her (at least she thinks he was talking about her), and she has finally given Masimo an ultimatum to be her one and only and he has to think about it. And will she ever be able to stop thinking about the Sex God plucking his guitar strings of loveosity?

### Editorial Review

From School Library Journal

Grade 7-9—Rennison's angst-filled, dramatic, and smart-aleck heroine is back in her seventh book. Nothing much has changed in her life; Georgia is still tormented by embarrassing parents, an annoying little sister, diabolical cats, and inaccessible boys. This time around, she is an unwilling participant in a school production of *Macbeth*. She's having a fight with her friend Jas, and the gorgeous Italian, Massimo, is playing hard to get. She is just beginning to realize, though, that the attractive, hard-to-get guys whom she usually goes for may not be for her and that her good friend Dave the Laugh might just deserve a second look. There is nothing new or outstanding about this book compared to the others in the series. Though the teen's phrases like the cakeshop of agony and the bakery of pain are funny at first, the silliness is so heavily layered throughout the novel that it eventually draws away from the action. Except for a new love interest or two, the plot hasn't progressed much since the second book. As usual, the best part is the glossary; some of Georgia's definitions are laugh-out-loud funny. No matter how similar it is to the previous books, however, many teens will want to read each and every Georgia Nicolson story to see what trouble she gets into next.—*Stephanie L. Petruso, Anne Arundel County Public Library, Odenton, MD*

From [Booklist](#)

Rennison returns with another nervy trip through Georgia-a-go-go-land, and fans won't be disappointed in this new "cakeshop of agony" that characterizes her relationships with the opposite sex. In between writing in her diary about boys, family, and the usual stuff, Georgia gets a part in the school play and helps Rosie and Sven plan their Viking wedding. Teens that go in for Brit chick-lit will enjoy the fun and the slang, but familiarity with at least one of the preceding books is advisable. *Cindy Welch*

### Review

Totally hilarious! 'Shout' It's an excellent book and I'm dying to know what happens next.' Sugar "Laugh out loud funny." Waterstones Books Quarterly Praise for `...then he ate my boy entrancers.' "You'll be falling about laughing at this.' Mizz 'The only snag about taking this on holiday is that it won't last long: it will be consumed without a break except for the snorting noises. But it can always be passed on to parents by any youngster who can stand the sound of Vati's and Mutti's snorts, or dipped into repeatedly because every line is vair vair funny.' Sunday Times Praise for `...and that's when it fell off in my hand.' 'Readers will find themselves laughing uncontrollably until their sides hurt, and won't be able to put the book down.' Sunday Times 'Hilarious... [Louise Rennison] is queen of the pink-book pack.' The Times Praise for 'Angus, Thongs and Full-Frontal Snogging': 'Bridget Jones for teenagers - but funnier. Expect Potter-esque queues for the sequel.' Sunday Telegraph 'Don't miss this gem' Guardian
