**The Norseman (The Norseman Chronicles Book 1)** By Jason Born

The Norseman is the first volume of the vividly-detailed historical chronicles of Halldorr, an orphan whose entire desire was to lay beside both a warm hearth and a plump wife, but fate had another thread to spin. Instead, he found himself exiled, resigned to a life of raiding, killing for plunder and survival. He became bodyguard to a king, brutally fighting in monumental battles - Maldon and Swoldr - to be handed down for centuries in skaldic verse.

Because of a blood-oath made years before the murder of his father, Halldorr was adopted by an exile, Greenland's discoverer, Erik the Red. Halldorr believes his life is his to command when Freydis, the fierce, fire-haired enchantress, at last desires to be his wife. However, destiny strikes, forcing him to flee from Greenland to Ireland to England to Norway without her. He fights his way to wealth and in an epic battle, defending his king against overwhelming odds, he finds that it was not destiny, but betrayal that sent him into banishment thirteen years earlier.

## **Editorial Review**

### **About the Author**

Jason Born is a popular historical novelist. He is the author of Lions & Devils, a series of adventure novels which describes the heroes and villains of the monstrous Islamic assault of Western Europe during the Eighth Century. Other works include The Wald Chronicles, which is a series of historical novels centering on the rugged conflict and improbable outcome in Germania during the wars between the Roman legionaries and their tribal adversaries over 2,000 years ago. All three books in the series - The Wald, Wald Afire, & Wald Vengeance - are available now. He is also the author of The Norseman Chronicles, a gritty set of historical novels telling the story of the faithful Viking, Halldorr, who simply desired a warm hearth and a plump wife, but found that fate gave him so much more. Jason lives with his own plump wife and three skinny children in the Midwest. He is currently hard at work writing his next historical novel.
