What the Mistress Did By Anya Delvay

Oh, the delicious peril of deception...

Lady Marianne Gillingham has no intention of ending her affair with David Dunscombe, Earl Harrington, despite his pending nuptials. She craves his attentions, and he satisfies her deepest yearnings.

Yet, when his fiancée, the sweet, innocent and oh-so-very young Annabelle Frazier, appears on her doorstep to demand the end of the association, Marianne realizes she does not wish to be second in David's affections. She also cannot resist issuing a warning. The earl will bed his wife with tedious regularity, but never reveal his more *unusual* desires.

To Marianne's amusement, her prediction comes true, with a surprising twist. The countess is back with a new demand: repair the problem her prophetic words created. Taking pleasure in imagining the other woman's fear and horror, Marianne rekindles the affair to demonstrate exactly how to fulfill David's lascivious desires—while Annabelle secretly watches from the shadows.

She never expected Annabelle to prove so resilient and surprisingly easy—not to mention delicious—to corrupt. Or that the ensuing erotic tangle would be impossible to put right without heartbreak.

Warning: Loosen your stays and have your fan at hand. Plumes and floggers, along with some other leather devices, were employed in the creating of this erotic tangle. Contains Georgian ladies behaving badly, often with each other. M/F/F, M/F, F/F action herein.
