The best American novel to emerge from World War I, *A Farewell to Arms* is the unforgettable story of an American ambulance driver on the Italian front and his passion for a beautiful English nurse. Hemingway's frank portrayal of the love between Lieutenant Henry and Catherine Barkley, caught in the inexorable sweep of war, glows with an intensity unrivaled in modern literature, while his description of the German attack on Caporetto—of lines of fired men marching in the rain, hungry, weary, and demoralized—is one of the greatest moments in literary history. A story of love and pain, of loyalty and desertion, *A Farewell to Arms*, written when he was thirty years old, represents a new romanticism for Hemingway.

## Editorial Review

### Amazon.com Review

As a youth of 18, Ernest Hemingway was eager to fight in the Great War. Poor vision kept him out of the army, so he joined the ambulance corps instead and was sent to France. Then he transferred to Italy where he became the first American wounded in that country during World War I. Hemingway came out of the European battlefields with a medal for valor and a wealth of experience that he would, 10 years later, spin into literary gold with *A Farewell to Arms*. This is the story of Lieutenant Henry, an American, and Catherine Barkley, a British nurse. The two meet in Italy, and almost immediately Hemingway sets up the central tension of the novel: the tenuous nature of love in a time of war. During their first encounter, Catherine tells Henry about her fiancé of eight years who had been killed the year before in the Somme. Explaining why she hadn't married him, she says she was afraid marriage would be bad for him, then admits:

I wanted to do something for him. You see, I didn't care about the other thing and he could have had it all. He could have had anything he wanted if I would have known. I would have married him or anything. I know all about it now. But then he wanted to go to war and I didn't know.

The two begin an affair, with Henry quite convinced that he "did not love Catherine Barkley nor had any idea of loving her. This was a game, like bridge, in which you said things instead of playing cards." Soon enough, however, the game turns serious for both of them and ultimately Henry ends up deserting to be with Catherine.

Hemingway was not known for either unbridled optimism or happy endings, and *A Farewell to Arms*, like his other novels (*For Whom the Bell Tolls*, *The Sun Also Rises*, and *To Have and Have Not*), offers neither. What it *does* provide is an unblinking portrayal of men and women behaving with grace under pressure, both physical and psychological, and somehow finding the courage to go on in the face of certain loss. --*Alix Wilber*

### Review

Novel by Ernest Hemingway, published in 1929. Like his early short stories and his novel *The Sun Also Rises*, the work is full of the disillusionment of the "lost generation" expatriates. While serving with the Italian ambulance service during World War I, the American lieutenant Frederick Henry falls in love with the English nurse Catherine Barkley, who tends him after he is wounded. She becomes pregnant but refuses to marry him, and he returns to his post. Henry deserts during the Italians' retreat after the Battle of Caporetto, and the reunited couple flee into Switzerland. There, however, Catherine and her baby die during childbirth, leaving Henry desolate. -- *The Merriam-Webster Encyclopedia of Literature*
