**An Elementary Latin Dictionary (Latin Edition)** By Charlton T. Lewis

2013 Reprint of 1915 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. In 1890 Charlton T. Lewis published a heavily abridged version of Lewis and Short's "A Latin Dictionary: Founded on Andrews' Edition of Freund's Latin Dictionary" entitled "An Elementary Latin Dictionary." Sometimes called the "Elementary Lewis," it is still in print today, and remains a useful reference for students. It remains a standard reference work for medievalists, renaissance specialists, and early modernists, as the dictionary covers Late and Medieval Latin, if somewhat inconsistently.

### **Editorial Review**

#### **Review**

"The only authoritative dictionary of Classical Latin available in abridged form; the only Latin dictionary suitable for undergraduates at all levels; and the only one that will not lead students astray with false translations because it gives precise contexts."--John A. Stevens, *East Carolina University*

#### **From the Back Cover**

This is substantially an abridgment of the author's 'Latin Dictionary for Schools'. The vocabulary has been extended to include all words used by Catullus, Tibullus, Propertius, and Tacitus. On the other hand, space has been saved by the omission of all detailed references to books and passages, only the name of the writer being indicated as authority for each word or phrase; and by limiting the illustrative citations to those which are typical or peculiarly instructive.

### **Users Review**

#### **From reader reviews:**

##### **Julianna Pepper:**

Throughout other case, little men and women like to read book An Elementary Latin Dictionary (Latin Edition). You can choose the best book if you love reading a book. Providing we know about how is important a new book An Elementary Latin Dictionary (Latin Edition). You can add information and of course you can around the world by the book.
