Gender, Sexuality and Museums: A Routledge Reader From Routledge

Gender, Sexuality and Museums provides the only repository of key articles, new essays and case studies for the important area of gender and sexuality in museums. It is the first reader to focus on LGBT issues and museums, and the first reader in nearly 15 years to collect articles which focus on women and museums. At last, students of museum studies, women's studies, LGBT studies and museum professionals have a single resource.

The book is organised into three thematic parts, each with its own introduction. Sections focus on women in museum work, applications of feminist and LGBT theories to museum exhibitions, exhibitions and collections pertaining to women and individuals who are LGBT. The Case studies in a fourth part provide different perspectives to key topics, such as memorials and memorializing; modernism and museums; and natural history collections. The collection concludes with a bibliographic essay evaluating scholarship to date on gender and sexuality in museums.

Amy K. Levin brings together outstanding articles published in the past as well as new essays. The collection's scope is international, with articles about US, Canadian, and European institutions. *Gender, Sexuality and Museums: A Routledge Reader* is an essential resource for those studying gender and sexuality in the museum.

Editorial Review

About the Author

Amy Levin is Acting Associate Dean for Academic Administration in the College of Liberal Arts and Sciences at Northern Illinois University. She is also a professor of English at the university and has served both as director of Women's Studies and coordinator of Museum Studies. She studies and teaches about race, class, and gender in museums in the U.S. and Europe. Her first two books were studies in literary criticism, and her third book, *Defining Memory: Local Museums and the Construction of History in America's Changing Communities*, is an edited collection of articles on small museums.

Users Review

From reader reviews:

Marianne Haglund:

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make these individuals keep up with the era that is always change and move ahead. Some of you maybe will probably update themselves by studying books. It is a good choice for yourself but the problems coming to a person is you don't know what kind you should start with. This Gender, Sexuality and Museums: A Routledge Reader is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Marva Larson:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even restricted. What people must be consider if those information which is in the former life are challenging be find than now could be taking seriously which one works to believe or which one the actual resource are convinced. If you obtain the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Gender, Sexuality and Museums: A Routledge Reader as your daily resource information.

Rose Davies:

Reading can called imagination hangout, why? Because when you are reading a book specially book entitled Gender, Sexuality and Museums: A Routledge Reader your brain will drift away trough every dimension, wandering in every single aspect that maybe unidentified for but surely will become your mind friends. Imaging every word written in a book then become one web form conclusion and explanation in which maybe you never get prior to. The Gender, Sexuality and Museums: A Routledge Reader giving you one more experience more than blown away your mind but also giving you useful details for your better life on

this era. So now let us present to you the relaxing pattern this is your body and mind will likely be pleased when you are finished reading it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Thomas Schroeder:

What is your hobby? Have you heard this question when you got college students? We believe that that question was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person just like reading or as studying become their hobby. You need to know that reading is very important as well as book as to be the matter. Book is important thing to include you knowledge, except your current teacher or lecturer. You discover good news or update about something by book. Numerous books that can you choose to adopt be your object. One of them is niagra Gender, Sexuality and Museums: A Routledge Reader.
