Roger Scruton: The Philosopher on Dover Beach By Mark Dooley

Roger Scruton is one of the outstanding British philosophers of the post-war years. Why then is he at best ignored and at worst reviled? Part of the reason is that he is an unapologetic conservative in the tradition of Edmund Burke. That conservative instinct was sharpened during the Paris riots of 1968. From that point on Scruton set himself the task of stridently opposing what he has since termed 'the culture of repudiation'. In so doing he targeted liberals in the tradition of Russell and Mill, existentialists like Sartre and post modernists in the fashion of Foucault.

Here is a brilliant description of Scruton's life and work and a careful analysis of his central ideas. Scruton defends an Hegelian and Burkean view of human nature, one founded on allegiance to the State as the guarantor of tangible freedom. He thus opposes any and all variations of the social contract theory, liberal or existential individualism or philosophical theories of the 'authentic' self in isolation from its kind. In recent years his conservative notion of the nation state has been used to reflect upon and criticise the European Union, the United Nations and the idea that the Middle East can be reformed along Western democratic lines.

Scruton, the author of this book, is the one British intellectual who has courageously rowed against the tide of liberal conviction and has arrived at political conclusions the truth of which are becoming more and more obvious. This book argues conclusively that Roger Scruton is a prophet for our times.

Editorial Review

Review

'In this short, lucid study of Scruton's thought ... [Mark Dooley] mounts a powerful defence of an important thinker. Dooley covers all aspects of Scruton's thought, from sex and art to religion, politics and the defence of the nation.' - Alex Moffatt, *Irish Mail on Sunday*

'Dooley's book aims to show that Scruton's ideas are proving more and more true to our current times. This is an important and challenging re-appraisal of an important philosopher.' - Stav Sherez, *Catholic Herald*

'Sets out eloquently Roger [Scruton's] positions on politics and art - and explains why there was no one I ever commissioned to write whose articles provoked more rage'- Sir Peter Stothard, Editor, *Times Literary Supplement*

'Beautifully written, clear, concise, restrained, *Roger Scruton: The Philosopher on Dover Beach* is a masterpiece of concise exposition, a model of clarification and, above all, a pleasure to read. For anyone who wants a comprehensive overview of Scruton's work, Dooley's book is indispensable. There is no other work of this kind on the market. Short of reading all of Scruton's writings yourself, there can be no better way to gain a clear understanding of this most significant of contemporary philosophers.' - *Yearbook of the Irish Philosophical Society*

'Dooley makes a strong case for taking [Scruton] seriously and puts to rest the absurd and, thankfully, now less fashionable view that he is the 'unthinking man's thinking man" - *The Journal of Philosophy*

About the Author

Mark Dooley has held lectureships at the National University of Ireland, Maynooth, and at University College Dublin where he was John Henry Newman Scholar of Theology. From 2003-2006, he wrote a controversial column on foreign affairs for the *Sunday Independent*. Since 2006, he has written for the *Irish Daily Mail*. Dooley is also a regular broadcaster on Irish radio and television, and has served as a political speech writer. He is author of *The Politics of Exodus: Kierkegaard's Ethics of Responsibility* (2001), *The Philosophy of Derrida* (2007), and *Roger Scruton: The Philosopher on Dover Beach* (2009). He is editor of *Questioning Ethics* (1999), *Questioning God* (2001), *A Passion for the Impossible* (2003), and *The Roger Scruton Reader* (2009).

Users Review

From reader reviews:

Hector Naranjo:

As people who live in typically the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era that is always change and make progress. Some of

you maybe may update themselves by examining books. It is a good choice for you but the problems coming to you actually is you don't know what kind you should start with. This Roger Scruton: The Philosopher on Dover Beach is our recommendation to make you keep up with the world. Why, because this book serves what you want and wish in this era.

Hazel Mishler:

This Roger Scruton: The Philosopher on Dover Beach is great e-book for you because the content that is certainly full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great plan word or we can say no rambling sentences inside. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but hard core information with beautiful delivering sentences. Having Roger Scruton: The Philosopher on Dover Beach in your hand like having the world in your arm, info in it is not ridiculous one. We can say that no e-book that offer you world inside ten or fifteen small right but this guide already do that. So , this really is good reading book. Hello Mr. and Mrs. active do you still doubt in which?

Marjorie Cook:

You may spend your free time to see this book this book. This Roger Scruton: The Philosopher on Dover Beach is simple to bring you can read it in the recreation area, in the beach, train and also soon. If you did not have got much space to bring typically the printed book, you can buy often the e-book. It is make you easier to read it. You can save the particular book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Susan Brooks:

Is it an individual who having spare time and then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Roger Scruton: The Philosopher on Dover Beach can be the reply, oh how comes? A book you know. You are so out of date, spending your time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?
