Playing Booth DeWitt's cruel ex-wife in his semiautobiographical film is the chance of a lifetime for actor Ariel Kirkwood. Not only is it a giant boon for her career, but she also gets to work with the screenwriter himself. Since getting to know him, Ariel can't get the aloof, sexy Booth out of her mind. She'd love to be his real leading lady, but with each passing day he becomes more distant. Now Ariel must convince Booth to see her for the woman she is, not the one she was hired to portray....

### *Untamed*

The circus is no place for a lawyer! But that's exactly where Keane Prescott finds himself, as the new owner of his late father's circus. Keane has no interest in the Big Top, until he meets Jovilette Wilder. She had a special bond with his father but has made it clear she wants Keane to leave her and her circus alone! Yet Jo is impossible to resist—at once graceful, fearless, commanding and about as unpredictable as the lions she tames. She just may be the best thing his father left him...but can he tame her wild heart before it's too late?
