Sun Storm (Rebecka Martinsson) By Asa Larsson

On the floor of a church in northern Sweden, the body of a man lies mutilated and defiled—and in the night sky, the aurora borealis dances as the snow begins to fall....So begins Åsa Larsson's spellbinding thriller, winner of Sweden's Best First Crime Novel Award and an international literary sensation.

Rebecka Martinsson is heading home to Kiruna, the town she'd left in disgrace years before. A Stockholm attorney, Rebecka has a good reason to return: her friend Sanna, whose brother has been horrifically murdered in the revivalist church his charisma helped create. Beautiful and fragile, Sanna needs someone like Rebecka to remove the shadow of guilt that is engulfing her, to forestall an ambitious prosecutor and a dogged policewoman. But to help her friend, and to find the real killer of a man she once adored and is now not sure she ever knew, Rebecka must relive the darkness she left behind in Kiruna, delve into a sordid conspiracy of deceit, and confront a killer whose motives are dark, wrenching, and impossible to guess....

Editorial Review

From Publishers Weekly

At the start of Larsson's solid procedural debut, neurotic, troubled Sanna Strandgård discovers the brutally butchered body of her brother, Viktor, on the floor of the church he founded in Kiruna, a provincial town in the north of Sweden. Sanna turns to her childhood friend, Rebecka Martinsson, a tax attorney in Stockholm, for emotional support and legal assistance when Sanna is charged with her brother's murder. While the local police investigate, led by refreshingly down-to-earth Insp. Anna-Maria Mella, Martinsson starts digging into the case as well as her own past connection with the victim and his church. Potential motives for Strandgård's murder range from the church's business dealings to sexual intrigue, but the focus is on Martinsson's anger and frustration at being sucked back into her own past. The story builds to a thrillerlike ending, though Larsson introduces far more characters than she needs or can handle. The book won Sweden's Best First Crime Novel award. (May)

The Swedish invasion continues with this sure-handed thriller from a talented first novelist. Rebecka Martinsson, an overworked junior member in a Stockholm law firm, comes from remote Kiruna in Sweden's far north, where she was involved with a fundamentalist church called The Strength of All Our Strength. Now a charismatic church leader has been brutally murdered. After receiving a call from the victim's sister, Sanna, Rebecka immediately returns to Kiruna and the craziness she thought she had escaped. It's a lot crazier now, she soon discovers, as Sanna is arrested for the murder, and Rebecka finds herself saddled with trying to prove her innocence and take care of her two young girls. Larsson builds suspense gradually but inexorably, and she is equally good at creating mood, using the frozen landscape and isolated location to evoke the icy inner lives of the church members and the building need for release. More like Ruth Rendell's psychological thrillers than the procedurals of Larsson's fellow Swedes (Mankell and Thursten, for example), this impressive debut nevertheless heralds yet another striking voice from Scandinavia. *Bill Ott*
