The Complete Husband: A Practical Guide to Biblical Husbanding By Lou Priolo

What does it take to be a "Biblical Husband"? *The Complete Husband* by Lou Priolo is the ground-breaking book that Christian men have been waiting for. In it, the author turns his years of biblical counseling wisdom to the subject of being a husband. The author reminds his readers that pleasing their wives does not automatically equate to the sexual arena. Men must think in terms of the whole relationship, and the whole person. However, since he is aware that sexual relations is part of the blueprint God created for marriage, he devotes an entire chapter to the subject. Above all, Priolo stresses that it is correct biblical thinking that leads to tender actions that in turn lead to complete fulfillment in the marriage bond.
