## The Nonviolent Communication Training Course By Marshall Rosenberg

Marshall Rosenberg's remarkable process of Nonviolent Communication (or NVC) has gained worldwide recognition as a tool for turning even the most volatile situations into a natural interchange of compassion and mutual enrichment. Modeled after this visionary peacemaker's nine-day intensive retreats, The Nonviolent Communication Training Course presents the first self-guided curriculum for putting Rosenberg's transformative ideas into everyday practice-whether you're in the office, at the dinner table, with your spiritual community- any situation where you want to honor "what is alive" in yourself and others.
