Tunnel in the Sky By Robert A. Heinlein

It was just a test . . .

But something had gone wrong. Terribly wrong. What was to have been a standard ten-day survival test had suddenly become an indefinite life-or-death nightmare.

Now they were stranded somewhere in the universe, beyond contact with Earth . . . at the other end of a tunnel in the sky. This small group of young men and women, divested of all civilized luxuries and laws, were being forced to forge a future of their own . . . a strange future in a strange land where sometimes not even the fittest could survive!

" . . . fascinating . . . ingenious . . . this a book in the grand tradition of high literature!"

-- The New York Times

Editorial Review

From the Publisher

Like many people, I go way, way back with Heinlein. My very favorite book (and one that stands out in my mind--and with much affection--to this day) is Tunnel in the Sky. I really, really wanted to go off to explore new worlds with a covered wagon and horses, like the hero does at the very end of the book. But one of the nice things about Robert Heinlein is that he's got something for everyone. One of my best friends has a different favorite: Podkayne of Mars. Go figure.

--Shelly Shapiro, Executive Editor

From the Inside Flap

It was just a test . . .

But something had gone wrong. Terribly wrong. What was to have been a standard ten-day survival test had suddenly become an indefinite life-or-death nightmare.

Now they were stranded somewhere in the universe, beyond contact with Earth . . . at the other end of a tunnel in the sky. This small group of young men and women, divested of all civilized luxuries and laws, were being forced to forge a future of their own . . . a strange future in a strange land where sometimes not even the fittest could survive!

" . . . fascinating . . . ingenious . . . this a book in the grand tradition of high literature!"

About the Author

Robert A. Heinlein (1907–1988) is widely recognized as one of the greatest science fiction authors of all time, a status confirmed in 1974 when the Science Fiction and Fantasy Writers of America gave him their first Grand Master Award for lifetime achievement. A four-time Hugo Award winner, Heinlein is best known for works including Starship Troopers, The Moon Is a Harsh Mistress, and the sensational bestseller Stranger in a Strange Land.

Users Review

From reader reviews:

Mindy Martinez:

A lot of people always spent their own free time to vacation or go to the outside with them loved ones or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity here is look different you can read a book. It is really fun for yourself. If you enjoy the book which you read you can spent the whole day to reading a book. The book Tunnel in the Sky it is quite good to read.
