NOTE: Before purchasing, check with your instructor to ensure you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a **Course ID**, which your instructor will provide.

Used books, rentals, and purchases made outside of Pearson

If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

For courses in U.S. History

This package includes MyHistoryLab®

Show students how diverse communities and different regions have shaped America

Out of Many: A History of the American People, Eighth Edition offers a distinctive and relevant approach to American history, highlighting the experiences of diverse communities of Americans in the unfolding story of our country. The only American history text with a truly continental perspective, *Out of Many* offers community vignettes — from New England to the South, the Midwest to the far West — that help students see how diverse communities and different regions have shaped America's past. By focusing on particular communities and regions, *Out of Many* weaves the stories of the people and the nation into a single compelling narrative that continues to this day.

Enhance learning with MyHistoryLab

MyHistoryLab for the U.S. History Survey course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyHistoryLab does not include an eText.

NOTE: The print component included in this package is a **Pearson Books a la Carte edition**: a convenient, three-hole-punched, loose-leaf text. In addition to the flexibility offered by this format, Books a la Carte editions offer students great value, as they cost significantly less than a bound textbook.

Out of Many: A History of the American People, Eighth Edition is also available via **REVEL™**, an immersive learning experience designed for the way today's students read, think, and learn.

Editorial Review

Review

Out of Many is a fine synthesis of U.S. political, social, and cultural history, with splendid attention to region ... engagingly written and illustrated for students.

-Michael J. Pfeifer, *John Jay College of Criminal Justice / History*

The text provokes student excitement by initiating interesting stories augmented by illuminating but not excessive details. The review questions enable students to prepare for class discussion and the recommended readings provide a starting point for students wishing to delve further in a particular topic.

-Dr. Deborah Welch, *Longwood University*

The community vignettes are the most compelling feature of the textbook, marking this text as unique and at once scholarly and accessible. I admire these essays greatly and when reading them feel I myself am learning from some of the best scholars in the field.

-TJ Boisseau, *University of Akron*

...the overall presentation is very effective in every way. In the end that is the most important attribute. I would certainly describe it as one of the best textbooks on the market today.

-Burton Peretti, *Western Connecticut State University*

...an excellent text for instructors to use as they look for interesting information to add to their lectures.

-Thomas Clarkin, *San Antonio College*

From what I've seen over the years, the authors of *Out of Many* have proven to be very responsive to changes in the field, regularly broadening their geographic focus, highlighting the experiences of a wider variety of historical actors, and more meaningfully exploring global forces that have impacted American history. Thus, its most compelling attribute would have to be its sheer ambition in attempting to remain as current as possible, and it mostly succeeds.

-Jeffrey M. Schulze, *University of Texas at Dallas*

It is an easy-to-read, engaging text that gives students the information they need without bogging them down in unnecessary details, and it doesn't tell students how to think but rather gives them the information they need to draw their own conclusions.

-Cynthia Carter, *Florida Community College at Jacksonville*

The main headings and subheadings help to navigate both instructor and student into a chronological and topical advance which both challenges and elevates critical thinking.

-Dr. John S. Leiby, *Paradise Valley Community College*

From the Back Cover

More than 4 million students are now using Pearson MyLab products!

Here are just a few ways MyHistoryLab can help you save time and improve results:

Pearson eText — Just like the printed text, students can highlight and add their own notes. Students save time and improve results by having access to their book online.

Gradebook — Students can monitor their progress and instructors can monitor the progress of their entire class. Automated grading of quizzes and assignments helps both instructors and students save time and monitor their results throughout the course.

History Bookshelf — This compendium of resources includes up to 100 most commonly assigned history works like Thomas Paine's *Common Sense*, Upton Sinclair's *The Jungle*, and Machiavelli's *The Prince*.

To order this book with MyHistoryLab access at no extra charge, use ISBN 9780205194476.
