**The Solitudes (Book One of The Aegypt Cycle) By John Crowley**

**This is the dazzling first novel in a series that will certainly take its place amongst the great books of our time.**

Reengaging the ideas of alternate lives, worlds, and worldviews that pulsed through his remarkable Little, Big, John Crowley's Agypt series is a landmark in contemporary fiction. The series helped earn Crowley the American Academy of Arts and Letters Award for Literature, and Harold Bloom installed the first two books in the series in his 1993 Western canon. Now, following the Spring 2007 hardcover release of the final book in the series (Endless Things), Overlook is bringing the entire tetralogy back into print and, for the first time, presenting it as a real series. In The Solitudes, the opening of the series, we are introduced to Pierce Moffett, an unorthodox historian and an expert in ancient astrology, myths, and superstition. The land that Moffett studies is not the real, geographical Egypt but Agypt, a country of the imagination. When Moffett discovers the historical novels of local writer Fellowes Kraft, his course is charted. Kraft's books interweave stories of Italian heretic Giordano Bruno, young Will Shakespeare, and Elizabethan occultist John Dee stories that begin to mingle with the narrative of Moffett's real and dream life in 1970s America. As Moffett's journey in and out of his comfortable reality continues, what becomes clear is revelatory: there is more than one history of the world.

### Editorial Review

### Users Review

#### From reader reviews:

##### **Chris Henderson:**

Have you spare time for the day? What do you do when you have far more or little spare time? Yes, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a go walking, shopping, or went to the Mall. How about open or maybe read a book eligible The Solitudes (Book One of The Aegypt Cycle)? Maybe it is to be best activity for you. You already know beside you can spend your time with your favorite's book, you can more intelligent than before. Do you agree with its opinion or you have different opinion?

##### **Teresa Hanson:**

As people who live in the particular modest era should be update about what going on or details even knowledge to make these people keep up with the era which is always change and move forward. Some of you maybe may update themselves by examining books. It is a good choice for you but the problems coming to anyone is you don't know what kind you should start with. This The Solitudes (Book One of The Aegypt Cycle) is our recommendation so you keep up with the world. Why, as this book serves what you want and want in this era.

##### **Dallas Richardson:**

Typically the book The Solitudes (Book One of The Aegypt Cycle) will bring one to the new experience of reading some sort of book. The author style to spell out the idea is very unique. Should you try to find new book to learn, this book very ideal to you. The book The Solitudes (Book One of The Aegypt Cycle) is much recommended to you you just read. You can also get the e-book from the official web site, so you can easier to read the book.

##### **William McNeill:**

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Solitudes (Book One of The Aegypt Cycle) can make you truly feel more interested to read.
