### Editorial Review

#### Review

Praise for Redcoat: "Redcoat is not just a work of history but of enthusiasm and unparalleled knowledge. This is a wonderful book, doing justice to men who have long deserved a chronicler of Richard Holmes' skill." Bernard Cornwell 'It would be hard to exaggerate the excellence of this book. Vivid, comprehensive, well-written, pacy, colourful.' Simon Heffer 'A wonderful book, full of anecdote and good sense. Anyone who has enjoyed a Sharpe story will love it.' Bernard Cornwell, Daily Mail 'Beautifully written, Redcoat is a vivid account of squalor and suffering almost beyond belief, for the men, their wives and followers, and their horses. One of the best chapters is a description of barrack-room life that will turn a few stomachs in this more fastidious age.' John Canon, TLS 'Redcoat is the story of the British soldier from the Seven Year War through to the Mutiny and Crimea. It is consistently entertaining, full of brilliantly chosen anecdotes and rattles along at a good light infantry pace.' David Crane, Spectator 'All the best-known soldier writers are discussed here, and their anecdotes are told with enthusiasm and aplomb... This is an army from another world, and Redcoat is a splendidly entertaining, moving and informative description of its strengths and foibles.' Hew Strachan, Daily Telegraph
