## Where Wonders Prevail: True Accounts That Bear Witness to the Existence of Heaven By Joan Wester Anderson

Is there anyone who does not long for signs of God's loving presence, some token of guidance and protection? In *Where Wonders Prevail*, New York Times bestselling author Joan Wester Anderson gathers dozens of true stories that tell of tender coincidences, inspirational healings, and safe passages through the very heart of trouble and danger.

There's the missionary priest in the Nicaraguan jungle whose life is saved by a prayer from friends in Michigan. Teenaged best friends Patty and Joni harbor a closeness even death can not erase. And a lonely Seattle man finds his life transformed by a mysterious little messenger. In Anderson's moving narrative, we find many such glimpses of heaven--reminding us that God is always near, every step of our way.

### **Editorial Review**

From Library Journal

Although Anderson's (Where Angels Walk, Ballantine, 1992) readers and the widespread readership of angel books in general will provide an audience for this book about the miraculous intervention of angels in human affairs, this is a less substantive treatment of the subject than Sophy Burnham's Book of Angels (Ballantine, 1990). Anderson's anecdotal accounts also lack the credibility of Burnham's Angel Letters (Ballantine, 1991) because the narrative and dialog provide a sense of embellished drama rather than a forum for those involved to share their own sense of these sacred events. A marginal purchase.

Copyright 1996 Reed Business Information, Inc.

From the Publisher

I have worked with Joan Wester Anderson for almost 5 years and this title is probably one of my favorites. In it she moves beyond the stories of angels that she told in Where Angels Walk and beyond the stories of miracles that she told in Where Miracles Happen and shares rich tales of remarkable dreams, unusual changes in nature and visions of life in the hereafter.

From the Author

This book has gone into a paperback version, which is titled Angels and Wonders. There are eight new stories in the new version. --author

### **Users Review**

**From reader reviews:**

**Kristi Goins:**

What do you concerning book? It is not important along with you? Or just adding material when you want something to explain what the one you have problem? How about your extra time?
