Behold the Man: A Catholic Vision of Male Spirituality By Harold Burke-Sivers

Lucid and inspiring, *Behold the Man* is a unique exploration of Catholic spirituality for men. Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality. While this book does not exclude these subjects, it is the first to present a comprehensive picture of Catholic male spirituality.

What is authentic male Catholic spirituality? What distinguishes it from Protestant male spirituality? How does masculine spirituality complement feminine spirituality? These questions and many more are answered in this book.

Drawing from Scripture and Church teaching, the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ. He demonstrates that when a man embraces the cross he is truly able to be himself—the man that God created and calls him to be. *Behold the Man* can deepen a man's experience of Christ and help him to know the Lord more intimately.

"This is a theological and anthropological tour de force that champions authentic male spirituality for the men of our times."

— **Father Donald Calloway, M.I.C.**, Author, *No Turning Back: A Witness to Mercy*
