Black & Decker Advanced Home Wiring: Updated 2nd Edition, Run New Circuits, Install Outdoor Wiring By Editors of Creative Publishing

Advanced techniques for the next step in home wiring

Once homeowners have mastered the surprisingly easy techniques for basic repair of switches, outlets and light fixtures, they're ready for the real cost savings that come with installing entire circuits all by themselves. *Advanced Home Wiring* is the book for those readers.

The original 1992 edition quietly became one of the all-time best sellers among books on wiring for homeowners, selling more than half a million copies. Many readers of the original book reported saving thousands of dollars by installing their own circuit wiring in room additions and for major remodeling projects. This new edition continues the tradition, with all the original information, plus key new projects—all updated to reflect the recent changes in electrical codes across North America.
