Editorial Review

From the Back Cover

WORLDWIDE, MORE THAN \$250 BILLION IS EARMARKED TO BE SPENT ON NEW AND ENLARGED AIRPORTS THROUGHOUT THE WORLD BY THE YEAR 2010

Denver International Airport: Lessons Learned tells the story of the world's newest, largest, and most technologically advanced airport. The challenges and triumphs of this megaproject serves as a model not only for airports of the 21st century but also for large public works projects in general. This book tells what to do and what to avoid in:

- * airport planning
- * site selection
- * facility design
- * construction
- * project implementation

Knowing what happened can help: * airport executives * planners * designers * consultants * engineers * architects * contractors * construction executives * managers * government officials * and financiers **understand the problems involved in planning and executing airports and other megaprojects.**

What did a budget of \$1.5 billion shoot to \$5.3 billion before the doors opened at DIA? Why did the most sophisticated baggage system in the world shred baggage at startup? Why did fundraising efforts result in federal investigations?

Find out in this riveting read, absolutely the last word on Denver International Airport.

Users Review

From reader reviews:

Paul Butler:

Book is usually written, printed, or illustrated for everything. You can realize everything you want by a e-book. Book has a different type. To be sure that book is important factor to bring us around the world. Close to that you can your reading ability was fluently. This kind of book will bring you throughout new era of the globalization. You can read the e-book on your own smart phone, so you can read it anywhere you want.

Walter Burchett:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Denver International Airport: Lessons Learned can make you experience more interested to read.
