Girl in the Blue Coat By Monica Hesse

An unforgettable story of bravery, grief, and love in impossible times

"*Girl in the Blue Coat* is a powerful, compelling coming-of-age story set against the dark and dangerous backdrop of World War II. It's an important and page-turning look at the choices all of us--including young adults--have to make in wartime. A beautiful combination of heartbreak, loss, young love, and hope."

-Kristin Hannah, #1 *New York Times* bestselling author of *The Nightingale*

"A tapestry of guilt and acceptance, growing responsibility, and reluctant heroism, Hanneke's coming-of-age under heartbreakng circumstances is a jarring reminder of how war consumes and transforms the passions of ordinary life. Every devastating moment of this beautiful novel is both poignant and powerful, and every word feels true." **-Elizabeth Wein**, *New York Times* bestselling author of *Code Name Verity*

Amsterdam, 1943. Hanneke spends her days procuring and delivering sought-after black market goods to paying customers, her nights hiding the true nature of her work from her concerned parents, and every waking moment mourning her boyfriend, who was killed on the Dutch front lines when the Germans invaded. She likes to think of her illegal work as a small act of rebellion.

On a routine delivery, a client asks Hanneke for help. Expecting to hear that Mrs. Janssen wants meat or kerosene, Hanneke is shocked by the older woman's frantic plea to find a *person*--a Jewish teenager Mrs. Janssen had been hiding, who has vanished without a trace from a secret room. Hanneke initially wants nothing to do with such dangerous work, but is ultimately drawn into a web of mysteries and stunning revelations that lead her into the heart of the resistance, open her eyes to the horrors of the Nazi war machine, and compel her to take desperate action.

Beautifully written, intricately plotted, and meticulously researched, *Girl in the Blue Coat* is an extraordinary, gripping novel from a bright new voice.

Editorial Review

From School Library Journal

Gr 9 Up—In Nazi-occupied Holland, Hanneke seems like an ordinary girl working at a funeral parlor to help support her family during wartime. But her Aryan features and charming smile allow her to work as a courier on the black market smuggling cigarettes, meat, and other unavailable items to paying customers. While Hanneke is not a member of the Dutch resistance, her actions are a direct result of the loss of Bas, her boyfriend. Lying about his age, he enlisted and died on the frontlines during the German invasion. When one of her best customers asks for her assistance in finding a Jewish girl she was hiding, Hanneke is stunned. But soon after, she is drawn into the mysterious disappearance of the girl in the blue coat. What she uncovers as she searches for answers leads her on a journey of self-discovery, self-realization, and redemption. Hesse crafts a thought-provoking and gripping historical novel. The themes of love, betrayal, heroism, social responsibility, and atonement are beautifully intertwined with well-developed characters and a compelling story line. Thoroughly researched, this work brings history alive in a clear and concise way that rings true. VERDICT A must-read for fans of historical fiction, especially stories set during World War II.—Donna Rosenblum, Floral Park Memorial High School, NY
