## Kaplan MCAT Practice Tests (Kaplan Test Prep) By Kaplan

If you are taking the MCAT by January 23, 2015, and want practice tests, this is your book.

Every year medical school admissions get more competitive, making a high score on the MCAT an essential part of a candidate's application. At a time when fewer than 40 percent of students who apply get accepted to any school, while top institutions routinely accept fewer than 10 percent of all applicants, prospective students must stand out among the crowd. More people get into medical school with a Kaplan MCAT course than all major courses combined.

Practicing with test-like materials is a critical part of getting a score that will do that, and it's imperative for students to have the most up to date materials and practice tests for their prep.

This book includes:

- 4 full-length practice tests: 2 in the book, 2 online computer-based exams
- Detailed answer explanations for every question in all practice tests
- Five full chapters of strategies, covering each major section of the test
- Online reporting on your strengths and weaknesses by topic
