Practical Handbook of Veterinary Homeopathy: Healing Our Companion Animals from By Wendy Thacher Jensen

Did you know that a sick animal needs only one medicine to heal multiple complaints? The Practical Handbook of Veterinary Homeopathy: Healing Our Companion Animals from the Inside Out opens your eyes to the enormous potential of homeopathy. Our beloved companion animals often suffer from chronic diseases or repeating complaints that respond only temporarily to traditional treatments, requiring frequent or even lifelong dosing. As the staunchest advocate for your own cats and dogs, you can greatly increase their health by learning to recognize chronic disease and partnering with a homeopathic veterinarian. Together, you can avoid, reduce, or eliminate your animal's dependence on medications. Homeopathic veterinarians rely on your observations to evaluate treatment, and this book, full of success stories, will teach you exactly what information is needed in order to help your animals not only heal, but regain their former vitality, energy, and zest for life.

Editorial Review

Review

"The target group according to the author is clearly enlightened animal owners, who want to know more about homeopathy and the way it can help their beloved pets. But in my views it is so much more." - Malene Jørgensen, *British Association of Homeopathic Veterinary Surgeons magazine*

"The author, long time veterinarian Wendy Jensen, was inspired to change her veterinary medicine practice after seeing the very real results yielded by a homeopathic approach to healing. This essential guide teaches you how to observe and evaluate your dog (or cat) and share these findings with your vet so you can work together to keep your special companion healthy." -- Connie Wilson, *Modern Dog, The lifestyle magazine for modern dogs and their companions*

"In this useful and educational book....you'll learn what information is helpful to your homeopath and what to expect after the remedy is given; how to observe your dog and report changes to your homeopath, and what to do to support your dog's own healing process. Along the way, Dr Jensen provides real case histories to illustrate the overall healing that can be achieved with homeopathy." - *Dogs Naturally Magazine*

"With a gentle, intelligent and optimistic voice Dr. Jensen introduces homeopathy to the layperson. The book is well organized, with chapter subheadings and an index for quick reference and review....Her numerous real lifecase examples keep the discussion alive and relevant for the reader." - Diana Bochenski, DVM, CVH, *Academy of Veterinary Homeopathy*
