Editorial Review

About the Author

Kumar Srinivasan is a senior business intelligence/SAP business planning and consolidation consultant for Zebra Consulting, Inc., in Houston, Texas. He holds a master's degree in finance from Loyola College in Chennai, India. He is also a certified cost accountant. Kumar has almost two decades of experience in information technology and has been working with SAP products since 1999. He is certified by SAP AG for the SAP BusinessObjects Business Intelligence and SAP Business Planning and Consolidation (BPC) products. Kumar has expertise providing solutions in the areas of SAP NetWeaver Business Warehouse (BW), SAP Business Planning and Simulation (BPS), SAP BI Integrated Planning (BI-IP), and SAP BPC. He provides diverse solutions to clients in areas that cover both back-end configuration and development of front-end user interfaces. His articles on topics related to SAP NetWeaver BW and BPC have been published in "BWExpert." Before working with Zebra Consulting, Inc., Kumar was employed with The World Bank as an information officer. During this time, he worked with relational database management systems, including Ingress, Informix, and Oracle. He also has extensive experience in the development of applications using messaging tools such as Lotus Notes. Kumar lives with his family in Cary, North Carolina. He can be reached at kshriniv77@yahoo.com.

Sridhar Srinivasan is a Senior Business Intelligence Architect for Zebra Consulting, Inc. He is certified in all of the versions of the product, including SAP NetWeaver BI 2004s.

Users Review

From reader reviews:

Scott Halpin:

The book SAP Business Planning and Consolidation, 3rd Edition make one feel enjoy for your spare time. You can use to make your capable a lot more increase. Book can to be your best friend when you getting strain or having big problem with your subject. If you can make reading through a book SAP Business Planning and Consolidation, 3rd Edition being your habit, you can get more advantages, like add your personal capable, increase your knowledge about some or all subjects. You may know everything if you like open and read a book SAP Business Planning and Consolidation, 3rd Edition. Kinds of book are a lot of. It means that, science e-book or encyclopedia or other people. So , how do you think about this publication?

Laveta Blodgett:

The e-book with title SAP Business Planning and Consolidation, 3rd Edition includes a lot of information that you can understand it. You can get a lot of benefit after read this book. This particular book exist new information the information that exist in this e-book represented the condition of the world today. That is important to you to learn how the improvement of the world. This kind of book will bring you throughout new era of the globalization. You can read the e-book on your smart phone, so you can read this anywhere you want.
