**The Crown's Game** By Evelyn Skye

**"Gorgeous and richly imagined."**—Sara Raasch, *New York Times* bestselling author of the *Snow Like Ashes* series

**"Teeming with hidden magic and fiery romance."**—Sabaa Tahir, #1 *New York Times* bestselling author of *An Ember in the Ashes*

Perfect for fans of *Shadow and Bone* and *Red Queen*, *The Crown's Game* is a thrilling and atmospheric historical fantasy set in Imperial Russia about two teenagers who must compete for the right to become the Imperial Enchanter—or die in the process—from debut author Evelyn Skye.

Vika Andreyeva can summon the snow and turn ash into gold. Nikolai Karimov can see through walls and conjure bridges out of thin air. They are enchanters—the only two in Russia—and with the Ottoman Empire and the Kazakhs threatening, the tsar needs a powerful enchanter by his side.

And so he initiates the Crown's Game, an ancient duel of magical skill—the greatest test an enchanter will ever know. The victor becomes the Imperial Enchanter and the tsar's most respected adviser. The defeated is sentenced to death.

Raised on tiny Ovchinin Island her whole life, Vika is eager for the chance to show off her talent in the grand capital of Saint Petersburg. But can she kill another enchanter—even when his magic calls to her like nothing else ever has?

For Nikolai, an orphan, the Crown's Game is the chance of a lifetime. But his deadly opponent is a force to be reckoned with—beautiful, whip smart, imaginative—and he can't stop thinking about her.

And when Pasha, Nikolai's best friend and heir to the throne, also starts to fall for the mysterious enchantress, Nikolai must defeat the girl they both love . . . or be killed himself.

As long-buried secrets emerge, threatening the future of the empire, it becomes dangerously clear . . . the Crown's Game is not one to lose.

### Editorial Review

From School Library Journal

Gr 8 Up-In an alternate 19th-century Russia, the tsar can call upon the abilities of an enchanter. Normally, only one exists at a time. In the rare case that two are born, they must compete, because Russia's inherent magic will allow only one to remain alive. Vika is an expert at controlling the elements and has been training her whole life to serve her country, unaware that another enchanter exists. Nikolai, best friend to the tsar's son, Pasha, who does not know of Nikolai's ability, has been training with his mentor explicitly for the Crown's Game. When the game begins, Vika and Nikolai take turns showing off their magical prowess for the tsar, creating wonders that get more powerful with each turn. Friendships, budding romances, and betrayal among Nikolai, Vika, and Pasha make the stakes even higher in a Game that will cost Nikolai or Vika their life. The forefront of this speculative fiction title, the action-packed, magical duel, is set against the backdrop of a richly detailed world. It is not surprising that Pasha and Nikolai fall for Vika, though Vika's pragmatism stops anything from developing. The book ends with one winner remaining, but the final sentence hints that the loser has not disappeared forever. Readers will eagerly await the next installment.

**VERDICT** A blend of Erin Morgenstern's *The Night Circus* (Doubleday, 2011) and Leigh Bardugo's *Shadow and Bone* (Holt, 2012), this work will make a solid addition to young adult collections.-Marissa Lieberman, East Orange Public Library, NJ ©(c) Copyright 2011. Review

“Wildly romantic, wholly immersive, and gloriously over-the-top.” (Kirkus Reviews (starred review))

“Readers will eagerly await the next installment.” (School Library Journal)

“Skye skillfully incorporates Russian history, detailed and intriguing backstories for all protagonists, and inventive feats of magic by the two young enchanters...[in this] delightfully engaging romance.” (Booklist Online)

“The Crown’s Game is a captivating tale that deftly transports readers to a mysterious and fascinating fantasy world, one teeming with hidden magic and fiery romance.” (Sabaa Tahir, #1 New York Times bestselling author of *An Ember in the Ashes*)

“Utterly enchanting. The true wizardry is in the atmosphere—Skye crafts a Russia of magic and elegance, depicting St. Petersburg in such a breath-taking way that you’ll swear you’re standing on the banks of the Neva and dancing through the halls of the Winter Palace.” (Sara Raasch, author of the *Snow Like Ashes* trilogy)

“Gorgeous and richly imagined, The Crown’s Game is a dazzling exploration of the choices we make when faced with impossible situations and our darker selves. Readers will fall unabashedly in love with this novel.” (Sara Grochowski, Brilliant Books)

“It was beautiful. It was terrible. I loved it.” (Hafsah Faizal, Icey Books)

“The Night Circus meets Cinderella in an alternate Russia. This extraordinary world has everything from insanely creative acts of magic, political intrigue, hope against all odds, romance, and oh-such-high-stakes-non-stop action. It is hands-down honest-to-goodness brilliant. Bravo.” (Angela Mann, Keplers Books)

## From the Back Cover

Vika Andreyev can summon the snow and turn ash into gold.

Nikolai Karimov can see through walls and conjure bridges out of thin air.

They are enchanters—the only two in Russia—and with the Ottoman Empire and the Kazakhs threatening, the tsar needs a powerful enchanter by his side.

And so he initiates the Crown's Game, a duel of magical skill. The victor becomes the Imperial Enchanter and the tsar's most respected adviser. The defeated is sentenced to death.

Raised on tiny Ovchinin Island her whole life, Vika is eager for the chance to show off her talent in the grand capital of Saint Petersburg. But can she kill another enchanter—even when his magic calls to her like nothing else ever has?

For Nikolai, an orphan, the Crown's Game is the chance of a lifetime. But his deadly opponent is a force to be reckoned with—beautiful, whip-smart, imaginative—and he can't stop thinking about her.

And when Pasha, Nikolai's best friend and heir to the throne, also starts to fall for the mysterious enchantress, Nikolai must defeat the girl they both love . . . or be killed himself.

As long-buried secrets emerge, threatening the future of the empire, it becomes dangerously clear—the Crown's Game is not one to lose.
