**The Secret Daughter: A beautiful novel of adoption, heartbreak and a mother's love** By Kelly Rimmer

*As I saw my new-born baby's face for the first time I tried desperately to capture her face in my mind—to stamp it onto my eyelids. As she was taken from me I knew I might never see my daughter again.*

### 37 years later...

‘**You were adopted**’. Three short words and **Sabina’s** life fractures. There would forever be a *Before* those words, and an *After*.

Pregnant with her own child, Sabina can’t understand how a mother could abandon her daughter, or why her parents have kept the past a secret.

Determined to find the woman who gave her away, what she discovers will change everything, not just for Sabina, but for the women who have loved her all these years.

**From the bestselling author of *Me Without You* comes another touching, beautifully told story about the pain of separation and the enduring strength of love.**
