The Titan's Curse: Percy Jackson and the Olympians, Book 3 By Rick Riordan

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess? They must find Artemis before the winter solstice, when her influence on the Olympian Council could swing an important vote on the war with the titans. Not only that, but first Percy will have to solve the mystery of a rare monster that Artemis was hunting when she disappeared—a monster rumored to be so powerful it could destroy Olympus forever.

Please note: While the cover of the book may vary the content is the same.

Editorial Review

From School Library Journal

Grade 6-9—In this installment, Riordan continues to enliven ancient mythology with wit, contemporary staging, and teenage heroics. Percy Jackson is now 14, a bit older and wiser, yet still entangled with the Fates. Friends, monsters, dysfunctional gods, and the romantic stirrings of all things natural and mythological are encountered. His good friend, if oft-time rival, Annabeth (daughter of Athena) is missing, as is Artemis, goddess of the hunt. Joined by best buddy Grover-the-goat-boy and an argumentative array of accomplices, Percy sets off to fulfill, and hopefully foil, the foreboding prophecy of the Oracle. Plagued by ominous dreams, thwarted by hideous monsters, and challenged by conflicting partnerships, the search party's success hinges on unlikely unity. The droll pitch is teen-perfect, as when Apollo heats up the scene by arriving in his fire-red Maserati, wearing jeans, a sleeveless T-shirt, and loafers. 'Wow,' Thalia muttered, 'Apollo is hot.' 'He's the sun god,' I said. 'That's not what I meant.' Intricate prophecies and relationships are neatly braided into the adventurous plot. Teachers will cheer for Percy Jackson and the Olympians as they inspire students to embrace Greek mythology and score the ultimate Herculean challenge: getting kids to read. All in all, a winner of Olympic proportions and a surefire read-aloud.—*Alison Follos, North Country School, Lake Placid, NY*

Starred Review Just after finding Bianca and Nico, two newly discovered half-bloods, Percy, Grover, Annabeth, and Thalia end up trapped between a helicopter and a mantichore. Artemis and her Hunters save the day, but Annabeth disappears over a cliff; then Artemis rushes off to hunt a dangerous monster. Back at Camp Half-Blood, the Oracle foretells that Artemis must be rescued and makes a prediction that bodes ill for one of their number—but which one? Percy, who is supposed to remain behind while others pursue the quest, follows in search of the missing Annabeth. Their adventures range widely across the U.S., taking them to locales that include Washington, D.C., and the deserts of the Southwest and pitting them against the usual assortment of colorful adversaries. The Percy Jackson & the Olympians series is built around a terrific idea—that the half-mortal offspring of Greek gods live among us, playing out struggles of mythic scale—and Riordan takes it from strength to strength with this exciting installment, adding even more depth to the characters and story arc while retaining its predecessors' nonstop laughs and action. Review

"Perfectly paced, with electrifying moments chasing each other like heartbeats."

"In a feat worthy of his heroic subjects, Riordan crafts a sequel stronger than his compelling debut."

Users Review

From reader reviews:

Ricky Copeland:

Book is to be different for each grade. Book for children right up until adult are different content. As it is known to us that book is very important for people. The book The Titan's Curse: Percy Jackson and the
