Truckers (Bromeliad Trilogy Book 1) By Terry Pratchett

In a world whose seasons are defined by Christmas sales and Spring Fashions, hundreds of tiny nomes live in the corners and crannies of a human-run department store. They have made their homes beneath the floorboards for generations and no longer remember—or even believe in—life beyond the Store walls.

Until the day a small band of nomes arrives at the Store from the Outside. Led by a young nome named Masklin, the Outsiders carry a mysterious black box (called the Thing), and they deliver devastating news: In twenty-one days, the Store will be destroyed.

Now all the nomes must learn to work together, and they must learn to think—and to think BIG.

Part satire, part parable, and part adventure story par excellence, master storyteller Terry Pratchett's first entry in the engaging Bromeliad trilogy traces the nomes' flight and search for safety, a search that leads them to discover their own astonishing origins and takes them beyond their wildest dreams.

Editorial Review

From Publishers Weekly

British author Pratchett's first YA novel is a rollicking tale about a race of "nomes"--little people who came from outer space and now live under the floorboards of a department store. Since the store is about to be demolished, the nomes must be convinced to move out, even though most of them don't believe in such a thing as Outside. After all, the store has "Everything Under One Roof!" In a story reminiscent of Mary Norton's *The Borrowers*, Pratchett has added distinctive touches of his own to the hilarious complications that ensue. One of the novel's greatest strengths is the depiction of the civilization the nomes have built for themselves, including an intricate religion based on advertising signs, hung in the store. *Truckers* is funny enough to warrant sequels (at least one more tale is promised), but a clearer resolution would have made this a more satisfying read. Ages 10-up.

Review

"Fascinating and funny." (The Horn Book)

"Witty, funny, wise and altogether delightful." (Locus)

"A delicious, rewarding, wry and antic fable."—Harlan Ellison "A rollicking good story." (Kirkus Reviews)

"Terry Pratchett has created a wild adventure, a fable, a fantasy, an elegant satire."—Lloyd Alexander (Lloyd Alexander)

"Pratchett gives his cast plenty of personality and fuels the plot with nonstop comedy." (Kirkus Reviews)

"A wry tongue-in-cheek fantasy...which unhesitatingly lampoons the ingrained habits and complacent attitudes found in any society." (ALA Booklist)

From the Inside Flap

The first title in the hilarious fantasy trilogy about the nomes.

Users Review

From reader reviews:

Marilyn Washington:

Nowadays reading books become more and more than want or need but also become a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The details you get based on what kind of reserve you read, if you want get more knowledge just go with education and learning books but if you want truly feel happy read one having theme for entertaining including comic or novel. The *Truckers* (Bromeliad Trilogy Book 1) is kind of publication which is giving the reader erratic experience.

Susan Gagnon:

Exactly why? Because this Truckers (Bromeliad Trilogy Book 1) is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who have write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book include such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I had been you I will go to the e-book store hurriedly.

Bernard Davisson:

You are able to spend your free time to learn this book this reserve. This Truckers (Bromeliad Trilogy Book 1) is simple to create you can read it in the area, in the beach, train and soon. If you did not have much space to bring the particular printed book, you can buy the actual e-book. It is make you better to read it. You can save typically the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Mamie Salinas:

Is it you who having spare time then spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This Truckers (Bromeliad Trilogy Book 1) can be the answer, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?
