## **Editorial Review**

### **Review**

Yoga, Tantra and Meditation in Daily Life is an inspiring and, above all, refreshingly practical book. It has been written by a man who understands his trade and knows what he is talking about, you feel this when reading it. Even people who already know something about yoga will be surprised at how much this book offers. The last four chapters exclusively treat the theme of meditation and belong to the best of what I have read on the subject. ----- Swami Pragyamurti Saraswati, London.
